Action taken based on Feedback from Students(CO & PC)
Academic Year 2017-18 (EVEN SEM)
Summary of Feedback-Semester 8

Feedbacks collected through course exit forms were analyzed and necessary actions which are useful for students were planned and conducted. Abstract of suggestions obtained to enhance the employability of students are discussed below.

- Need more practical sessions for better understanding
- Experts talks on selected topics
- Awareness and Seminars should be conducted related to the technologies

Action taken

Based on suggestions, various events are organized. Events are selected such that it will be beneficial for their career. Details of events organized. Events are selected such that it will be beneficial for their career. Details of events organized at Institutional and department level are mentioned below

Sr No.	Feedback / Suggestions	Action taken	Date
1	Latest technologies in industries	Workshop on Virtual Reality	22/2/2018 - 23/2/2018
3	Latest technologies in industries	Seminar on Agile Methodology	27/02/2017
4	Latest technologies in industries	Seminar on Web Technology	03/03/2017

2- Relevant	21	65.6
3 – strongly Relevant	9	28.1
total	32	100%

4. Are you satisfied with the facilities provided like teaching, placement & Student activities?

Department of Information Technology
Academic Year: 2017-2018

Summary of Feedback received from student through program exit form

Based on the feedback collected from the students in the program exit form, following observations were found

1. Expert seminar required from the industrial people in that area
2. Advanced subjects like .Net, Software Testing Automation Tools, C#
3. Required advanced topics related to subjects
4. Hands on practical required.
