**Note:** All Class Representatives of respective classes are the members of the CESA committee.

Each member of the Core Committee has shown exceptional commitment, leadership skills, and a strong drive to contribute to the growth and development of our association. They have some exciting plans and initiatives in store for the upcoming year, including workshops, seminars, competitions, and social events that aim to enrich your academic experience and strengthen your bonds with fellow civil engineering students.

We encourage all members to actively engage with the Core Committee, share your ideas, and participate in the upcoming events. Your involvement is crucial to the success of our association and the enhancement of our shared academic journey.

Stay tuned for further announcements about our first meeting and the upcoming events. If you have any questions, suggestions, or would like to get involved in specific initiatives, please don't hesitate to reach out to any member of the Core Committee.

Let's make this academic year a memorable and productive one for the Civil Engineering Students Association!

Best regards,
