Report on the Quiz Competition Organized by Department of Civil Engineering IWWA Student Chapter on the Occasion of World Water Day.

Location: Saraswati college of Engineering, Kharghar

Date of seminar: 22/3/2024

Time: 12:00 pm

Platform: The quiz was conducted online using Google Forms.

Participants: All Students of Civil Engineering Department from second year onwards from various colleges under Mumbai University.

Registration: Students registered online, and the quiz link was shared via email and social media.

Number of students participated :95

POs attained: PO3, PO4, PO5, PO6, PO7, PO8, PO9, PO10, PO11, PO12, PSO1 & PSO2.

Introduction

The competition was organized to commemorate World Water Day and to raise awareness among students about the significance of water conservation, sustainable management of water resources, and related global challenges.

Objectives of the expert talk

- To enhance the knowledge of students on water-related issues.
- To foster a sense of responsibility towards water conservation and sustainable use.
- To encourage student engagement in environmental and water resource management topics.
- To promote teamwork and healthy competition among students.

Structure of the Quiz

- **Content:** The quiz included [number] multiple-choice questions focused on:
 - Global and local water resources.
 - Water conservation practices.
 - Policies and legislation related to water.
 - Current issues and events associated with water.
- **Time Frame:** Participants were given 30 minutes for 20 questions to complete the quiz.

- **Scoring:** Automated scoring was used to evaluate the responses immediately after submission.

5. Conduct of the Event

- **Quiz Link Distribution:** The quiz link was shared with participating colleges through official channels, including emails, social media, and college networks.
- **Technical Support:** The event was supported by a technical team to ensure smooth conduct and resolve any issues faced by participants.
- **Monitoring:** The responses were monitored to ensure fairness and adherence to the rules.

6. Results and E-Certificates

- **Participation:** All participants who successfully completed the quiz were awarded an e-certificate of participation.
- **Certificate Distribution:** E-certificates were emailed to participants right after the conduction of the event.

Conclusion

- **Summary:** The online quiz competition was a resounding success, achieving its goal of spreading awareness about water-related issues among a broad student audience across Mumbai University.
- **Acknowledgments:** The student chapter extends its gratitude to all participants, volunteers, and the technical team for their contributions to the event's success.
- **Closing Remarks:** The event concluded with a call to action for students to continue their efforts in water conservation and sustainable practices.
