Editorial

Department of Civil Engineering is glad to present the June 2013 issue for News Bulletin. Every department has its long term and short term goals and its evaluation system. This Bulletin is meant to describe and evaluate success and failures of work carried in previous term.

Also we wish department would make progress in the coming semester. With this we greet all our readers for the new academic year 2013-14.

Achievements:

Departmental Achievements:

- The department got the approval for Post Graduate course (ME Structural Engineering) from the academic year 2013-14 with an intake of 18 students.
- The department also got the approval for second shift in B.E from the academic year 2013-14 with an intake of 60 students.
- Results
SEM III – Overall result of Sem III was improved significantly as compared with the previous year's result. This year the overall result of Sem III was 66% and the result of Geology and Math were 52% and 84% respectively.
We appreciate efforts taken by Dr.Suman Rawat and Prof. Seema Lathkar and 2nd year faculty to achieve this excellent result.
- Around 40 students of B.E secured distinction in Semester VII University examinations.

Toppers for the academic year 2011-12

Toppers of BE (Sem VII)	Toppers of TE (Sem V)	Toppers of SE (Sem III)
Neha Kolate - 82.75% Ameetkumar Gupta - 81.75% Nafisa Malwawala - 80.75%	Sharayu Nagare - 73.88% Prathamesh Amre - 72% Yogesh Gond - 69.88%	Prathmesh Bhoir - 82.75% Sujay Savala- 82.21% Vaibhav Kanadia-79.125%

Our students have done various industry oriented projects, one of the project team participated in technology demonstration of innovative working model in the field of Smart Homes in **Student's Innovation Pavilion in Gridtech 2013** held on April 3-5,2013 at Pragai Maidan, New Delhi and won a consolation prize of Rs. 10000.Students had presented their working model of their project entitled **“Energy efficiency in building and construction”**, for demonstration

The team members are as follows:

1	Soumik Chakraborty
2	Nafisa Malwawala
3	Vishnukumar Rudrabhatla
4	Nishant Pandey

Guest lecture arranged for students by the department:

- Shraddha Technical Institute, Borivali : They shared knowledge regarding Piping Technology.
- RICS : Seminar on “Built Environment”.
- CADD centre: Conducted exam named National CADD Quest for designing building structures through AutoCAD.
- MITCOM : Encouraged students for higher education in field of Management.
