DEPARTMENT MISSION

Develop technically and managerial man power for running the industry enhancing the productivity for the benefit of the mankind.

Foreword

It gives me great pleasure to present Information Technology Department Newsletter Volume 10, which takes gracious attempt to note various activities of department throughout second half of the year 2014. New Technologies are bringing opportunities along with new skill sets requirements and challenges. Globalization is bringing competitiveness in every domain. Engineers have to fit into the requirements of companies that recruit across the globe. The department of Information Technology is leading the way to meet challenges of future by equipping students with skill set that is required in industry.

operating system - Firefox OS, ahead of its forthcoming launch in India. The students will also be guided on the different ways of contributing to the Mozilla projects like Firefox.

Topper of BE (Sem VII)

- *Prajakta Bhandare (74.62%)*
- *Revathi Nair (74.12%)*

Topper of TE (Sem V)

- *Pranali Pawar (9.15 SGPA)*
- *Sheetal Salunke (9.12 SGPA)*

Topper of SE (Sem III)

- *Kunal Mhatre (7.82 SGPA)*
- *Parabjyot Phull (7.68 SGPA)*

Placement

Placement is an essential step in carrier and following are the students of batch 2011-15 who are placed:

1. *Ashay Sawant & Krutika Sawant in Persistent Pvt.Ltd.*
2. *Revathy Nair in Microland Pvt. Ltd.*

Teachers day Celebration (5th September)

Since 1962, India has been celebrating Teachers' Day on 5th September as a symbol of tribute and honor to the contribution made by teachers to the society. With this note the students of IT department planned a day to celebrate with the teachers. Students arranged various cultural programs and activities in Seminar hall and gift a memento to reflect the love and respect for the teachers by the students. Each one of us has been a student at some point of our lives; therefore Teachers' Day should be celebrated by all of us and not just the teachers and students alone.

Industry Expert Lecture on "Linkage between Engineering Students and Latest IT Trends" (12th Sept. 2014)

Speaker Mr. Aniket Mhala, Delivery Director, Global Agile Leader, Cap Gemini India Pvt Ltd has delivered a seminar on various technology like Agile methodology (it is a group of **software development methods** in which requirements and solutions evolve through collaboration between self-organizing, **cross-functional teams**) and SMAC (Social, Mobile, Analytics and Cloud on one integrated stack, where each function enables another to maximize their effect. This is the new enterprise IT model delivering an organization that is more connective, collaborative, real-time and productive) to link the students with latest trends and technologies in the IT world. Total 70 students were participated from Final year.
