DEPARTMENT OF FIRST YEAR ENGINEERING
Action taken based on feedback from students
Academic year 2016 - 2017 (SEM I)

Summary of feedback (Semester I):

All students of SEM I had given feedbacks for all the subjects which were collected through course exit forms. Those feedbacks were analysed and necessary actions were planned for effective teaching. Some suggestions obtained from the students are as follows.

- Content provided is sufficient for most of the subjects
- More sessions required for partial differentiation for EM
- The syllabus Content is very vast and requires more time.

Action Taken:

Based on suggestions, various actions are taken. Details at Department level for betterment of student's career are mentioned below.

| Sr. No. | Feedback / Suggestions | Actions Taken | Date |
|---------|---|---|-------------------------------|
| 1 | More Problems solve on her own, need to check whether students understood or not. | video lectures were provided for that topics https://youtu.be/HiOFurV3h94 | As required |
| 2 | Not interactive. Need more practice for Chemistry and Physics | Numerical PDF given to students | During lecture session |
| 3 | Syllabus is vast for BEE difficult to complete in given time | Extra lectures, some practical's and introduce NPTEL Course | As per requirement of subject |

DEPARTMENT OF FIRST YEAR ENGINEERING
Action taken based on feedback from students
Academic year 2016 - 2017 (SEM II)

Summary of feedback (Semester II):

All students of SEM II had given feedbacks for all the subjects which were collected through course exit forms. Those feedbacks were analysed and necessary actions were planned for effective teaching. Some suggestions obtained from the students are as follows.

- Content provided is sufficient for most of the subjects
- Content in the syllabus is very vast and requires more time.
- Content provided to students is sufficient and also goes well with all the CO'S.

Action Taken:

Based on suggestions, various actions are taken. Details of events organized at Department level for betterment of student's career are mentioned below.
