DEPARTMENT OF FIRST YEAR ENGINEERING
Action taken based on feedback from students
Academic year 2017 - 2018 (SEM I)

Summary of feedback (Semester I):

All students of SEM I had given feedbacks for all the subjects which were collected through course exit forms. Those feedbacks were analysed and necessary actions were planned for effective teaching. Some suggestions obtained from the students are as follows.

- Content provided is sufficient for most of the subjects
- More sessions required for partial differentiation for EM
- The syllabus Content is very vast and requires more time.

Action Taken:

Based on suggestions, various actions are taken. Details at Department level for betterment of student's career are mentioned below.

Sr. No.	Feedback / Suggestions	Actions Taken	Date
1	Need to check whether students understood or not.	video lectures were provided for that topics https://youtu.be/HiOFurV3h94	As required
2	Not interactive. Need more practice for Chemistry and Physics	Numerical PDF given to students	During lecture session

DEPARTMENT OF FIRST YEAR ENGINEERING
Action taken based on feedback from students
Academic year 2017 - 2018 (SEM II)

Summary of feedback (Semester II):

All students of SEM II had given feedbacks for all the subjects which were collected through course exit forms. Those feedbacks were analysed and necessary actions were planned for effective teaching. Some suggestions obtained from the students are as follows.

- Content provided is sufficient for most of the subjects
- Content in the syllabus is very vast and requires more time.
- Content provided to students is sufficient and also goes well with all the CO'S.

Action Taken:

Based on suggestions, various actions are taken. Details of events organized at Department level for betterment of student's career are mentioned below.

Sr. No.	Feedback / Suggestions	Actions Taken	Date
1	Content in the syllabus is very vast and requires more time to understand the concept.	video lectures were provided for some topics https://youtu.be/KglZSst2sU	As required
2	Need more practice for mathematice.	Notes were provided to students. Solved university previous year question paper.	During lecture session
3	Students shows interest to solve more numericals for all subjects	To complete syllabus Extra lectures,some practicals and	As per
