

3.5.2 Number of functional MoUs with institutions, other universities, industries, corporate houses etc. during the last five years

DVV query: Provide List of activities conducted under each MoU along with dates of starting and completion year-wise signed by both parties

HEI Answer: In the given table, list of activities with starting and completion date along with a copy of MoU under which activity is carried out is given. MoU contains the signature of both Parties however in some of the in-house activities, signatures of the other party isn't included in reports as it was a mutual understanding between both parties and most of the activities were done for the benefit of students and faculties. Some MoU are old but activities are carried out in the present year also. Some activities reports have signatures of both parties. For those in which signatures are not there, e-copy of the MoU, certificate signed by both parties, etc. have been attached.

Table: contains List of activities conducted under each MoU along with dates of starting and completion year-wise signed by both parties

Name of the institution/ industry/ corporate house with whom MoU is signed	List the actual activities under each MOU and web -links year-wise	Activities conducted with <u>dates of starting and completion</u>	View Report (Activity report)	Signature proof: Report Signed by both parties / E-Copies of the MoUs

Department of Electronics & Telecommunication Engineering

Memorandum of Understanding Between MobileComm Technologies India Pvt Ltd Gurgaon

Purpose:

This Memorandum of Understanding (MOU) established a co-operative relationship between the **Saraswati College of Engineering**, Kharghar, Navi Mumbai (SCOE) and the **MobileComm Technologies India Pvt Ltd Gurgaon**. Under this MOU, SCOE and **MobileComm Technologies India Pvt Ltd**, will establish mutually beneficial links between them with the aim of handing training and research activities to achieve excellence in teaching and industry benefits.

Background:

Saraswati College of Engineering, Kharghar, Navi Mumbai:

Saraswati College of Engineering, Kharghar, Navi Mumbai is a institute of Saraswati Education Society was started in year 2004. The institute is affiliated to AICTE. Major objective of the college is to provide excellent academic environment to Engineering graduates and faculties, through industry and institute interaction / collaboration. Institute has following aims-

- Provide excellent academic environment to students and faculties.
- Interaction with industry for research and consultancy.
- Develop Entrepreneurship and Business Incubations.
- Provide opportunities to students and faculties for Internships and industry trainings.

Description about

MobileComm Technologies India Pvt Ltd Gurgaon

MobileComm Technologies India Pvt Ltd has following aims:

- Mcom Provides a Complete Platform for Telecom and IT and software solutions
- Mcom is working since 18 Years in India in Telecom Industries.
- Provide a platform Highly technical for academicians for research and consultancy work at their premises or in industry
- Provide a research projects to teaching to faculties to enhance quality of education
- Create an industrial awareness among student's / teaching facilities
- Organize a joint program between industry and academicians to enhance quality of education

Common Interests and Agreement:

After studying and objectives of each other, MobileComm Technologies India Pvt Ltd and Saraswati College of Engineering, Kharghar, Navi Mumbai agreed that, they can share the expertise available at both ends for mutual benefits in the field of education, training and industrial research and consultancy and enter into an MOU. Based on discussion held among the faculties of Saraswati College of Engineering, Kharghar, Navi Mumbai and Director, MobileComm Technologies India Pvt Ltd have been identified for mutual collaboration such as

- Organize joint programs such as CILT/VILT/Webinar & Conference etc.
- Organize Industry Training Programs for undergraduate students in Telecom Domain in RF/RAN/Site Engineering/Drive Test /KPI/Cloud and other telecom Technology
- Preferably shared all technical course as per industry and future requirements
- Company will provide Internship/Practical Training also
- Practical Training Contains RF Drive test /Integration and Commissioning of Base Station /RF Planning for Latest Technology/ OSS Monitoring/KPI Monitoring
- The curriculum based in Theoretical and Practical based training and after completion on course will provide course completion certificate.
- Practical Training can be Onsite/Online.

Effective Date and Administrations:

This MOU will become effective upon signature by COEs of MobileComm Technologies India Pvt Ltd (**Mr. 'Jyoti Parkash'**-CEO & Director) and Principal (**Dr. Manjusha Deshmukh**) and faculties (**Dr. Sheetal Bukkawar** Dean.) from Saraswati College of Engineering, Kharghar, Navi Mumbai. IT MAY BE MODIFIED OR AMENDED BY written Agreement between the parties, and such amendments shall of, and shall be attached to this MOU. This MOU shall terminate of the parties. It may be terminated at any time by either of the organization, upon 90-day written notice to the other. Its provision will be reviewed annually and amended / supplemented as may be mutually agreed upon in writing.

URAL FEDERAL UNIVERSITY

COOPERATION AGREEMENT

The city of Ekaterinburg

Date: 22/11/2019

Federal State Autonomous Educational Institution of Higher Education "Ural Federal University named after the first President of Russia B.N. Yeltsin" (Ekaterinburg, the Russian Federation), to be referred in the following as UrFU and "Saraswati College of Engineering" (Kharghar, India), to be referred in the following as SCOE have concluded the present agreement on the following:

1.1. The parties are starting from the fact that it is in the interests of each of them to join the operations in the direction of developing educational, creative and business relations between UrFU and SCOE in the field of Engineering, Technology, Environmental Safety Management; Materials technology; Construction & engineering systems, Advance Science and other area on mutual understanding.

1.2. With this in view the Parties will consider the possibilities for:

- exchange of undergraduate students for doing student, degree and research works on subjects of mutual interest;
- exchange of teaching staff for lecturing, conducting seminars, as well as joint supervision of carrying out student works and graduate student researches;
- exchange of training and methodical literature, teaching plans and curricula;
- agreement of curricula and teaching programs with the purpose of working out combined educational "dual degree" program;
- arrangement and conducting of joint seminars, conferences, exhibitions on subjects of cooperation;
- preparation, realization and publishing the results of possible mutual researches in periodicals by the Parties, as well as in Internet;

1.3. Organization of International Summer term courses for students from UrFU and SCOE in Ekaterinburg and/or in SCOE.

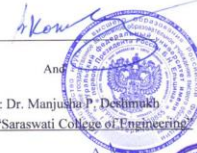

1.4. The present agreement imposes no financial or legal obligations. The parties attract financial means from various funding agencies and collaborative programs.

The present agreement is valid for the period of time of four years until 22/11/2023 and could be prolonged further if the parties have no restrictions.

The present agreement is signed by

Rector: Victor Koksharov

on behalf of Federal State Autonomous Educational Institution of Higher Education "Ural Federal University named after the first President of Russia B.N. Yeltsin"

Centre of excellence in Maritime and Shipbuilding (CEMS)

This MOU is entered into on 22 May 2019 by and between;

Centre of Excellence in Maritime & Shipbuilding (CEMS) was established as 'not for profit company' under Section 8 of the Indian Companies Act, 2013, "CEMS" a company promoted and operated by Indian Register of Shipping, having its registered office at 52A, Adi Shankaracharya Marg, Opp. Powai Lake, Powai, Mumbai - 400 072, India. "CEMS" (which expression shall unless repugnant to the context or meaning there of be deemed to mean and include its successors and assigns) of the first part;

And

Saraswati College of Engineering, 46 Sector 5, MSEB Sub Station Kharghar Navi Mumbai 410 210, with the mission "To educate students to become quality technocrats for taking up challenges in all facets of life"

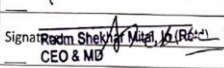

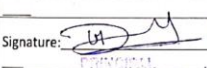

Preamble:

1. Centre of Excellence in Maritime and Shipbuilding is a well-funded start up in skill development for maritime and the ship building sector. It is promoted by Indian Register of Shipping, Sagarmala, Ministry of Shipping/ Govt of India along with M/s Siemens Industry Software (India) Private to provide globally relevant skilled technical manpower in the latest manufacturing technologies in Maritime, Ship Building and Manufacturing sectors.
2. CEMS is a dedicated center for facilitating Professional development and skill enhancement in Maritime, Infrastructure and Manufacturing sectors. We aim to build competency in the field of maritime by imparting right skills and create skilled manpower pool to cater to current and future industrial landscape of the Country.
3. A world class Centre of Excellence has been established in Visakhapatnam and Mumbai which will run paid courses for domestic and international audience at - Basic, Intermediate and Advanced levels. These courses are designed and implemented by Siemens and its domain partners who provide the latest technical expertise in these areas.
4. CEMS Focus:
 - Qualitative improvements in Technical Education

Indian Society For Heating Refrigeration & Air Conditioning (ISHRAE) Mumbai Chapter

This Memorandum of Understanding is being realized

Between

Indian Society for Heating Refrigerating & Air Conditioning Engineers Mumbai Chapter
Hereafter called as ISHRAE - Mumbai

And

Saraswati College of Engineering, Navi Mumbai, Hereafter called as SCOE

Objectives of the MOU

- Active collaboration between ISHRAE and SCOE to establish an HVAC showcase in the College
- Help the student community to have updated information on HVAC&R techniques and help them in placement
- Create awareness of careers available in the HVAC&R sector of the Industry leading to job placements in the Industry.
- ISHRAE-Mumbai Chapter will initiate the HVAC&R Show case in SCOE.
- ISHRAE-Mumbai chapter will use its good offices to
 - i. Source products & accessories of HVAC&R equipment to be kept on display
 - ii. Help in identifying the application, range and specifications of the equipment on display
 - iii. Collect literature on the latest trend & new technologies with conceptual figures & sketches
 - iv. Create a collection of catalogues & handbooks of HVAC&R applications

Initiatives from Saraswati College of Engineering

- Provide a space of at least 600 sq ft with free power & lighting arrangements
- Display nameplate saying ISHRAE — Mumbai Chapter SCOE HVAC&R Showcase outside the space provided
- The names of the sponsor company shall be allowed to be displayed in the Showcase premises
- SCOE will nominate a faculty as in-charge for the HVAC Showcase who will manage the facility in tandem with the Student Chair of the ISHRAE
- Mumbai chapter SCOE will allow students from other chapters to visit the Showcase with prior permission.

Combined Initiatives

- ISHRAE-Mumbai Chapter and SCOE jointly design short term Courses in the field of HVAC&R and organize these courses employing the infrastructure at the showcase and expertise from SCOE and ISHRAE
- One or two such courses to be organized every year for the benefit of students of various engineering college in south India

There will be **no financial transaction** between both parties except the goodwill, good intentions and adherence with general rules of conduct.

This memorandum of understanding will be effective from the date of signing by ISHRAE Mumbai Chapter and SCOE for a period of three years and will be continued thereafter with mutual consent. In any case if the MOU to be terminated before expiry, prior notice will be given to both the parties.

DCODETECH IT Industrial Training

Memorandum of Understanding

Between

DCODETECH IT Industrial Training

&

Saraswati College of Engineering, Kharghar

This Memorandum of Understanding has been entered into on the 07th Day of May, 2019

BETWEEN

DCODETECH IT INDUSTRIAL TRAINING. An IT training provider having its Registered Office at (A/504, 5th Floor, Krishna Plaza, Opp. CNP Bank, Near Railway Station, Thane (W) - 400602). Dcodeitech IT industrial training is providing advanced IT skills to students and professionals. Dcodeitech IT Industrial Training has evolved into a training powerhouse for students and Colleges of Technology. (HEREIN AFTER CALLED FIRST PARTY)

AND

Saraswati College of Engineering, Kharghar, Navi Mumbai an Educational Institute; having its premises at Plot No. 46, Sector 5 near MSEB Sub Station, Kharghar, Navi Mumbai, Maharashtra 410210, through the Principal of the Institute (HEREIN AFTER CALLED SECOND PARTY)
The Parties have had preliminary discussions in this matter and have ascertained areas of broad consensus. The Parties now, have therefore, agreed to enter in writing their areas of consensus, under this MOU.

Roles and Responsibility of DCODETECH IT Industrial Training (FIRST PARTY)

1. DCODETECH will provide free seminar for all the students of Saraswati College of Engineering, Kharghar, Navi Mumbai with the comfort ability of both the parties
2. DCODETECH will provide free workshop for the students on the updated technology.
3. DCODETECH will provide free internship for Saraswati College of Engineering, Kharghar, and Navi Mumbai Students with certificate of respective company.
4. DCODETECH arrange drives for students.

Now this MOU witnesses that

1. The, DCODETECH, is to conduct training programmes for the Saraswati College of Engineering, Kharghar, Navi Mumbai students It is totally industry based training program for the Degree students to become a successful in IT Industry.
2. DCODETECH will make sure that the training is conducted by highly Experienced & Trained faculties

The students enrolled for various modules will be provided Practical free of cost Hands-on training as per the schedule arranged with the understanding of student and center, also helping them to go for Internships and then work on companies live project, Project Presentation etc.

Confidentiality

DCODETECH IT Industrial Training and Saraswati College of Engineering, Kharghar, Navi Mumbai THANE, agree to hold in confidence all information / data designated by the center as being confidential which is obtained from either organization or created during the performance of the MOU and will not disclose to any third party without written consent of the other institute.

Duration of MOU

The MOU, unless extended by mutual written consent of the organization, shall expire in THREE YEARS after the effective date specified.

Coordinators

Both organizations are hereby designating following persons who will have responsibility for coordination and implementation of this agreement.

ON BEHALF OF FIRST PARTY:

ON BEHALF OF SECOND PARTY: 

Signed in Duplicate

The MOU is executed in duplicate with each copy being an official version and having equal legal validity. By signing below, DCODETECH IT Industrial Training and Saraswati College of Engineering, Kharghar, Navi Mumbai, acting

By their duly authorized officers have caused this memorandum of understanding to be executed, effective as of the day and year first above written.

E-Incarnation Recycling Pvt. Ltd

AGREEMENT

THIS AGREEMENT ("Agreement") is executed at Mumbai, on Friday of January 2017.

BETWEEN

E-Incarnation Recycling Private Limited a company registered under the Companies Act, 1956 and having its Corporate Office at 1304, Lodha Supremus, Senapati Bapat Marg, Lower Parel (W), Mumbai- 400013. Hereinafter referred to as "The Recycler", which expression unless be repugnant to the context, shall mean and include successors and assigns of the One Part.

AND

M/s Saraswati College of Engineering located at Plot No. 46, Sector 5, Near MSEB Sub Station, Kharghar, Navi Mumbai 410210 hereinafter referred to as "The Client", which expression unless be repugnant to the context, shall mean and include successors, affiliates and assigns of the Other Part.

WHEREAS:

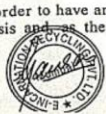

The Recycler is registered as an approved E-Waste Recycler by the Maharashtra Pollution Control Board ("MPCB") under Section 25 of the Water (Prevention & Control of Pollution) Act, 1974 & under Section 21 of the Air (Prevention & Control of Pollution) Act, 1981 and has an authorization under Rule 5 of the Hazardous Wastes (Management, Handling & Transboundary Movement) Rules 2008 & E-Waste (Management & Handling) Rules, 2011 and is operating a facility for the collection, reception, transportation, treatment and disposal of E-Waste and having their recycling machinery in Tarapur, Thane.

As part of its business requirements the Recycler requires suitable used electric and electronic and IT equipments that are intended to be discarded (as defined in article 1.5 as "E-waste")

The Client is an Educational Institution established for the purpose of imparting state of art technical education to newly aspired engineers of the 21st Century. We dream to be a leading research organization with a dream and vision of creating a knowledgeable society.

The Recycler has approached the Client in order to have an arrangement to collect the E-generated by the Client on an ongoing basis and as the request made by the recycler is

Received by
Smt
11/01/17

The Recycler shall provide to the Client a certificate of sustainable recycling against actual E-Waste weight or any other documents / certificate required under the Rules / Regulations within 7-21 working days from the date of pickup.

The Recycler shall be solely liable and responsible for any claim or action of third party intellectual property right infringement, if arises against the services of the Recycler.

Inspection

Recycler shall inspect E-waste at delivery point before collection of the E-waste, and, once accepted at delivery point, recycler shall be responsible for the proper transporting, recycling and disposal of E-waste as envisaged under this agreement.

In the event the E-Waste supplied is (a) less in quality and quantity as per the specifications, Recycler may demand the Client to supply the E-Waste that is falling deficit or (b) if it includes any excluded materials, which fails to meet the specifications of E-Waste definition, the Recycler may refuse to collect such portions of E-Waste. The Recycler shall not exclusively collect waste such as tube lights and CFL tubes unless it is accompanied by other electronic waste material.

Term and Termination

Term

This agreement will be effective from 11/1/17 ("Effective Date"), unless earlier terminated as provided herein, will continue for a period of 3 years and the same will be renewed automatically for the period of 3 years until and unless it is terminated by either Party, any time from effective date, in writing by providing a notice of 30 days to the other Party.

Termination

Both the Parties may terminate this Agreement for any reason or for the sake of convenience, any time from effective date, by giving 30 days prior written notice to other party and this agreement will stand terminated on the expiry of the said 30 days notice period.

In case Recycler terminates this Agreement, it should have fulfilled and complied with all its obligations to the Client under this Agreement before termination.

The Client shall have a right to terminate this Agreement with immediate effect, if at any time during the term of this Agreement the Client is informed or information comes to the Client's attention, or if it is so decreed or adjudged by any court, tribunal or other authority, that the Recycler is or may be in violation of any laws or if the Recycler commences any proceeding or file any petition seeking relief under any applicable bankruptcy, insolvency, or liquidation; consent to or acquiesce in the institution of any such proceeding or the filing of any such petition.

Notwithstanding anything herein contained, the Client may, by giving fifteen (15) days notice in writing to Recycler, terminate this Agreement under any one or more of the following circumstances if the Recycler fails to remedy such breach within 15 working days of receiving a written notice to that effect:

If the Recycler fails to comply or commits a breach of any terms/obligations under this Agreement or to observe any of its obligations or breaches all or any of the terms of this Agreement;

If the Recycler commits breach of any of the warranties given and fails to remedy / rectify them within 15 days from the receipt of notice from the Company.

If in the opinion of the Company the interests of the Company are jeopardized in any manner whatsoever.

INSEEC ALPES-SAVOIE/CHAMBERY CAMPUS GRADUATE SCHOOL OF BUSINESS

MEMORANDUM OF UNDERSTANDING BETWEEN INSEEC ALPES-SAVOIE/CHAMBERY CAMPUS GRADUATE SCHOOL OF BUSINESS & SARASWATI COLLEGE OF ENGINEERING, INDIA

The INSEEC Alpes-Savoie/Chambéry Campus, France, and Saraswati College of Engineering, India, have signed a framework agreement of cooperation on December 9th, 2015. After friendly consultations, the two institutions reach a consensus on jointly training students, developing and operating academic programs based on this framework agreement of cooperation. The specific provisions are signed as the following:

Appendix I:

1. Graduates of degree programs of Saraswati College of Engineering, India, must have duly completed the number of previous academic years required for each program;
2. Graduates must submit an application form and a copy of their home university transcripts to the Admission officer of INSEEC Alpes-Savoie/Chambéry Campus Graduate School of Business;
3. The Admission Officer of INSEEC Alpes-Savoie/Chambéry Campus Graduate School of Business will review the applications and materials submitted and organize a telephone or skype or face-to-face interview for each applicant at INSEEC Alpes-Savoie/ Chambéry Campus Graduate School of Business;
4. If all the required conditions are met for the courses offered, or one of the English-taught International MSc/MBA programmes offered by the /Chambéry Campus Graduate School of Business, INSEEC Alpes-Savoie/Chambéry Campus Graduate School of Business will issue an acceptance letter for the next academic year to this applicant;
5. INSEEC Alpes-Savoie/Chambéry Campus Graduate School of Business will reasonably promote such study opportunities internally to Saraswati College of Engineering students (and alumni, where possible), by e-mail, seminars and the distribution of the materials that the INSEEC Alpes-Savoie/ Chambéry Campus Graduate School of Business may send;
6. INSEEC Alpes-Savoie/Chambéry Campus Graduate School will provide promotional materials as well as application forms in good time, and sufficiently before the deadlines which it has set, in order to allow processing by the Saraswati College of Engineering, India;
7. Students accepted into the English thought MSC/ MBA programs will pay academic fees directly to INSEEC Alpes - Savoie / Chambéry Campus Graduate School.

MEMORANDUM OF UNDERSTANDING BETWEEN INSEEC ALPES-SAVOIE/CHAMBERY CAMPUS GRADUATE SCHOOL OF BUSINESS & SARASWATI COLLEGE OF ENGINEERING, INDIA

Saraswati College of Engineering, India, and INSEEC Alpes-Savoie/Chambéry Campus, France, agree to enter into a formal collaborative agreement based on a foundation of trust for the mutual benefit and development of the two institutions and the promotion of international understanding and goodwill. Both parties agree to encourage the following activities in particular to promote international academic cooperation:

1. Exchange and cooperation in teaching and research;
2. Operation and organization of academic interaction;
3. Exchanges of research materials, publications and information;
4. Exchanges and cooperation in international-oriented areas;
5. If needed, any amendment will be added to promote communication and cooperation issues.

This agreement is effective when the representatives of both institutions have signed and dated the document. It will be in force for five years. If one side requests to repeal or amend this agreement, the reasons shall preferably be in written form six months before the expiration date, and such action will only be taken after mutual consultation in order to avoid any possible inconvenience to all parties.

This agreement is in duplicate written in English. Both sides hold one copy.
