

Method of computing per day usage of the Library

For calculating per day usage, 5 working days (18/04/22 to 22/04/ 22) data was selected using the following 3 criteria

Sr. No.	Description	No. of staff users	No. of Students users	Total no. of users	Total average users per day
1	Physical Library usage / entry register	284	1600	1884	376.8
2	Library Management System (ILMS) circulation transactions	01	630	631	126.2
3	Digital Library usage	49	98	147	29.4
Total		334	2328	2662	532.4

**Library usage Details for latest academic year
(June 2021- May 2022)**

Sr. No.	Description	Total no. of users
1	Physical Library usage / entry register	13813
2	Library Management System (ILMS) circulation transactions	5967
3	Digital Library usage	1081
	Total	20861

No. of working days = $2 \times (13 \text{ weeks/ semester} \times 5 \text{ days}) = 130 \text{ days}$

Total no. of teachers and students = 2506

No. of teachers and students using library per day = $20861 / 130 \text{ days} = 160.469$
