## Use of Transcript Software

The online transcript system has been introduced so that:

- 1) Students and ex-students do not have to come in person for transcripts.
- 2) The process of obtaining and sending transcripts is faster and streamlined.
- 3) Transcripts can be directly sent to their destination as e-transcripts and tracked online if required.

The screenshot shows a web browser window with the URL [saraswati.truecopy.in/v2/files/submitdoctranscript.tc](https://saraswati.truecopy.in/v2/files/submitdoctranscript.tc). The page header includes the Saraswati Education Society's logo and name, along with the motto "Learn Live Achieve and Contribute" and the address "Kharghar, Navi Mumbai - 410 210." Below the header, the text "Submit a transcript request" is followed by instructions to read the instructions and use templates carefully, and to email support@truecopy.in for questions. A note states that only the templates from the instructions link should be used. The form itself contains the following fields and options:
