I. VISION , MISSION , QUALITY POLICY AND QUALITY OBJECTIVE

VISION

"To become center of Excellence in Engineering education and research"

MISSION

"To educate students to become quality technocrats for taking up challenges in all facets of life"

QUALITY POLICY

We at **Saraswati College of Engineering** are committed to impart continual quality education & training leading to degree in Engineering. We would demonstrate continual improvement by complying with requirements, monitoring our abilities and implementation of Quality Management System.

We aim to provide a platform for Research and Development by understanding and meeting industrial needs by developing technical skills, leadership quality, inter personal skills and upholding the importance of professionalism and ethical practices.

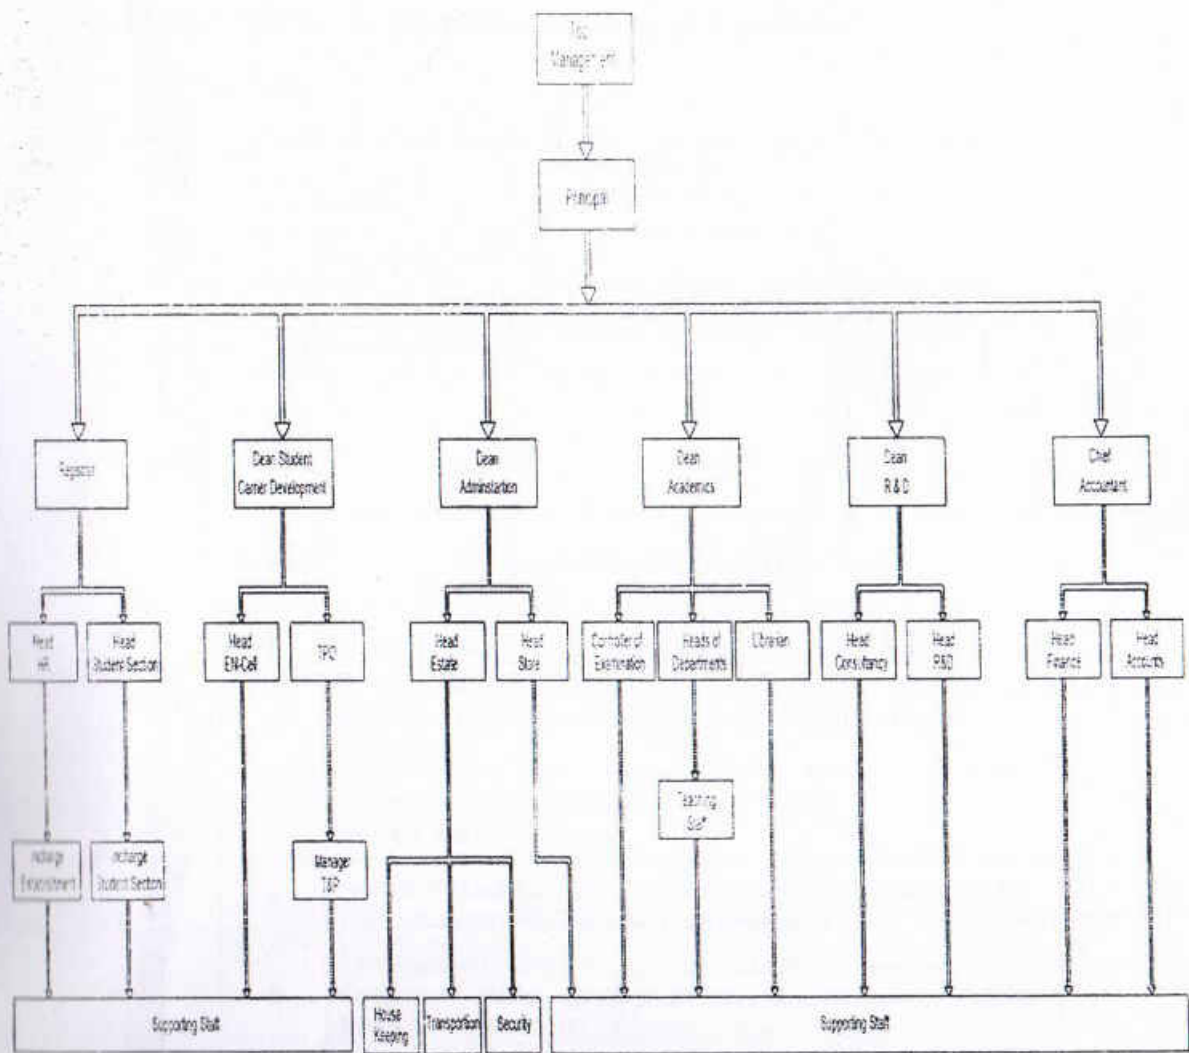

The Quality policy is supported by quality objectives and is communicated through various modes of channels such as notices, websites, brochure and understood within the institution and is reviewed by management time to time for continued suitability.

QUALITY OBJECTIVES

1. To become competent Educational & Research organization by cultivating research culture among faculty and students.
2. To make students of Saraswati College of Engineering globally competent with leadership qualities.
3. To strive hard for holistic development of student, through co-curricular, extracurricular activities, trainings and industrial exposure for developing industry ready technocrats.
4. To provide better carrier opportunities by motivating the employability and entrepreneurship skills.
5. To impart quality education to the students and to develop vision of state of art academic and professional fraternity.
6. To provide global platform to students and faculty for research, collaborative activities and education through interactive MOU's and tie-up's with renowned national and international organizations and industries.

7. RECRUITMENT PROCEDURE

The procedure for Adhoc engagement of staff involves the following:

- 7.1 That a position is Adhoc, and the duration of the contract must be clearly outlined even before the process of recruitment begins, and so specified in advertisements, or other communication.
- 7.2 All subsequent process of recruitment of non-teaching and non-technical staff shall be done as per the normal recruitment process of the organization.
- 7.3 Interviews shall be conducted by the selection committee which shall consist of – concerned HOD, Principal and HR representative.
- 7.4 After the finalization of the candidate, and before doing the salary negotiation, it will once again be reiterated to the candidate that this is a Adhoc position.
- 7.5 Salary fitment will be done as per the existing band in that particular grade and take into account concerns of internal consistency.
- 7.6 Salary details will not be provided to potential candidates either via email or on paper, before the day of joining. This is to prevent the potential employee using the offer to negotiate other offers elsewhere as bargaining chips.
- 7.7 Appointment letter, together with salary break up, will be issued for the Adhoc employment.

8. PROBATION POLICY

1. Objective

- 1.1 To provide a policy framework for confirmation of regular employees after completion of the probation period.

2. Eligibility & Coverage

- 2.1 All new recruits as well as existing staff of the institute on regular rolls

3. Policy & Procedural Formalities for Completion of Probation

- 3.1 All new employees will be on probation for a period of 24 months from the date of joining.
- 3.2 While the formal probation appraisal shall be at the end of 24 months, the concerned HOD will review the performance of the probationer at quarterly intervals. These assessments will be on the broad parameters of Discipline, Attitude, Application, Job Knowledge and Concerned HOD Feedback and group values. The performance evaluation report will be submitted to HR Department.
- 3.3 During probation, the notice period on either side will be three month. It is mandatory to serve the notice period and the option of offsetting the notice period, partly or fully will be at the sole discretion of the management. The management may also, at its sole discretion, accept notice pay in lieu of the notice period. Notice pay shall mean gross salary of the employee including allowances, if any.
- 3.4 HR Department will send the Probation Appraisal form to the concerned HOD at least one month before completion of the probation period.
- 3.5 The HOD will discuss the performance of the probationer and record the employee's strengths and required areas of improvement in the personal file of the employee.
- 3.6 Duly completed Probationary Appraisal Form with the recommendation of the HOD for confirmation, will be sent to HR Department at least one week before the completion of the probation period for the issue of Confirmation Letter.

4. Extension of Probation Period
- 4.1 In such instances where an employee does not meet the required standards of performance, the HOD may recommend extension of the probation for a maximum of six months.
- 4.2 Probation period may be extended under any of the following Circumstances:
- Performance of the probationer is not up to expectations
 - The role and the skills of the probationer are not aligned
 - Probationer's values are not aligned with the institute's values
- 4.3 A mutually agreed and detailed Performance Improvement Plan involving Counseling and training will be documented, and areas of improvement clearly communicated to the employee in the prescribed format.
- 4.4 The probation may be extended only once. When probation is extended for an employee, the HOD shall send the Probationary Appraisal Form to HR Department at least 15 days before the expiry of probation, clearly stating the reasons for extension. HR will send necessary reminders in time.
- 4.5 Based on the recommendation of the HOD, HR Department will formally communicate the extension of the probation through a letter to the employee through the HOD
- 4.6 The performance will be reviewed once again at the end of the extended probation period. The probationer's services may be confirmed subject to satisfactory performance.
- 4.7 If the probationer's performance remains unsatisfactory after the Performance Improvement Plan, his or her services may be summarily terminated.

12. INCENTIVE POLICY FOR RESEARCH & PUBLICATIONS

➤ Introduction

Teaching and Research are the main functions assigned to any institute. Teaching is a prime function and needs to be performed at the highest level of competence; that is possible only when the faculty is involved in the research activity. Research is an original contribution to the existing stock of knowledge making for its advancement. It is the pursuit of truth with the help of study, observation, comparison, experiment, collection of facts or data, analyzing the facts to reach certain conclusions either in the form of solution(s) towards the concerned problem or in certain generalizations for some theoretical formulation. In short, the search for knowledge through objective and systematic method of finding solution to a problem is research.

Research essentially nourishes the academic program and such engagement helps teachers to remain at the cutting edge, with advances in their own subject. It also sustains the interest in academic activities and widens the scope of learning. Importantly, it helps the institute to stand at the global level.

➤ R&D Cell

The R&D cell comprises of faculty members from various departments in the institute. This committee oversees the smooth and efficient coordination of research and development activities in the institute, thus fostering overall growth. A senior faculty heads this cell in the capacity of Head R&D. Principal SCOE is the executive head and The Head R&D is functional head of the cell and advisory to R&D processes to be carried in the institution to Principal SCOE. The faculty members that constitute the R&D Cell are.

➤ **PREAMBLE:**

History has shown that educational institutions across the globe have played an indispensable role in the phenomenal progress of humankind. In medicine or space, in technology or economics, battle lines are being drawn. To remain as a vanguard of discovery, one should be inquisitive like a scientist, resourceful like an engineer and creative like an artist. To triumph one needs results; publishable and applicable results. Research and Development (R&D) flourishes where young minds and experienced faculty work synergistically. At Saraswati College of Engineering, R&D is pursued with the following objectives:

1. To acquire new scientific knowledge.
2. To design novel methodologies in all the fields of Engineering and Technology.
3. To develop new tools and techniques to expedite problem solving with special emphasis on rural and socially relevant issues.

The phrase "Research and Development" has a special significance apart from its conventional coupling of scientific research and technological development. As this process is usually associated with innovation as well, the synonym (R + D + I) can also be applicable. In general, R & D activities are conducted by specialized units or centres belonging to companies, academic institutions and state agencies. "Research and Development" normally refers to future-oriented, longer-term activities in science or technology, using techniques without predetermined outcomes and with broad forecasts of commercial yields.

At Saraswati College of Engineering, these are done to motivate the students and the faculty of the institution, to update the knowledge which leads to further investigation and progress and to give a hand to the industries in their product development. If such an effort does not exist, the growth of science or technology would be static. Knowing this, everyone is encouraged to do academic or industrial research, to involve in innovation or development and to use the knowledge for consultancy with the industries. Research, Development and Consultancy go hand in hand. All disciplines of the college are actively engaged on Research, Development and Consultancy activities. The R & D cell of this college would be active in registering for patents, copyrights, publications in

conferences, organizing conferences, seminars and workshops. All disciplines of the college would be engaged in R&D and consultancy activities. The R&D cell of this college would be active in registering for patents, copyrights, publications in conferences, organizing conferences, seminars and workshops. Faculty and students have been encouraged to be creative, since it is the creative aspect that induces newer thinking. Lectures and Demonstrations are made both for students and faculty to kindle their spirit of creativity both by our own faculty and from experts.

The management, knowing the importance of R&D has been magnanimous to sanction necessary funds for Research and Development. The college aims to have research centers in which faculty and students from various institutions outside the college besides the faculty and students from this college who are interested enhancing their qualifications register for their research degrees. The disciplines in which research centers have been proposed as a plan of further action are

1. Civil Engineering
2. Mechanical Engineering
3. Automobile Engineering

To initiate contacts among researchers both in India and abroad, conferences would be mandatorily arranged. The faculty members and students would be encouraged to attend seminars and conferences conducted elsewhere. This would boost up the activities on research, in this institution.

	SARASWATI COLLEGE OF ENGINEERING	HR POLICY
Version 01		Effective Date: August 2016

➤ **AIMS:**

1. To create research awareness among the faculty and students.
2. To enhance team work between researchers for inter-disciplinary research.
3. To establish links with different Industries, R&D organizations, which provide funding for research activities.
4. To involve the every faculty member in R&D activities, which lead to Ph.D. degree and research proposal writing.
5. To enhance the research awareness by conducting various national level and international level workshops and conferences and guest lectures.
6. To establish the fruitful collaboration and interaction with researchers working on interdisciplinary research.

➤ **OBJECTIVES:**

The Research Promotion Scheme of SCOE aims to nurture research culture in the institute by promoting research in newly emerging and challenging areas of science and engineering. It encourages the Undergraduate and Post graduate candidates to undertake the research in newly emerging frontier areas of science and Engineering including multidisciplinary fields. This enhances the general research capability of budding technocrats by way of participating in conferences, seminars, workshops, project competition, etc.

➤ **R&D Activities**

The major R&D activities are as follows:

- External Funded Projects
- Publications in peer-reviewed Journals
- Faculty Development Programs, Conferences, Workshops, STTPs, Symposia etc. (attending and organizing)
- Procurement of high-end computational and laboratory equipment's, and software for Research

	SARASWATI COLLEGE OF ENGINEERING	HR POLICY
Version 01		Effective Date: August 2016

- Deputation for Higher Studies
- Talks and Lectures by eminent researchers
- Industry Institute Interaction (Students and Faculty)
- Collaborations and MOUs with Industry, Academic and R&D Organizations.

Note: For In-house R&D events, the following guidelines may be used with the approval of Principal SCOE & Head R&D.

- 50 % or 3000 Rs. whichever is less concession may be given in registration fee for Approved Faculty Members of host department.
- 50 % or 3000 Rs. whichever is less concession may be given in registration fee for Faculty of other departments, to a maximum two faculty, on recommendation of the concerned Head of the Department.
- The concession so granted shall be reimbursed on submitting the certificate of attendance/participation or presentation along with a detailed Report about the attended R&D activity of Participation. All the participants shall initially pay the full registration fee and claim for reimbursement only after fruitful completion of the program.

➤ **Patents**

Receiving patent of one's research work is one of the most important and influential factor to judge the quality of research. Full financial and legal assistance as per government Norms shall be provided to those who are interested in registering the patent. The patent shall irrevocably be registered in the name of Saraswati College of Engineering with the researcher's name prominently featuring as the inventor. The commercial aspects shall be mutually worked out between the institute and the researcher.

- Research and in-depth review papers shall be submitted to peer-reviewed journals for possible publication.
- Publication charges (if any) of the research papers published by faculty, shall not be reimbursed by the institute.
- One can apply to University of Mumbai and other agencies for publication charges of his/ her research papers.
- Funded projects can cover a part of the publication charges of research papers.

 SARASWATI COLLEGE OF ENGINEERING	HR POLICY
Version 01	Effective Date: August 2016

➤ **Conferences and Workshops**

The funds available to the Approved Faculty members to participate at conferences, workshops, STTPs, etc. shall be as tabulated below. Final call would be as per the decision of Hon Principal SCOE.

Sr. No.	Type	Financial Assistance
1	International Conference (Abroad)	up to Rs. 25,000
2	International Conference (India)	50 % or 3000 Rs. whichever is less
3	National Conference, Symposia, Workshop, STTP, etc	50 % or 3000 Rs. whichever is less

Note: The requisite amount within the limits mentioned shall be sanctioned by the Head of Institution, on recommendations of the respective Head of department and review by Head (R&D). This amount may be claimed from the department R&D budget sanctioned by the institution for the said financial year.

➤ **Funded Projects**

The depth of R&D culture, in any institution is judged by the number of grants approved and funds generated via various projects. A large number of new research projects are initiated every year with funding from various national and international governmental organizations and industries. The R&D cell keeps the faculty, abreast of all such announcements for R&D projects and encourages them to submit proposals for funding.

A select few national and international funding agencies are,

- ❖ Aeronautical Development Agency (ADA)
- ❖ Aeronautical Research & Development Board (ARDB)
- ❖ All India Council for Technical Education (AICTE)
- ❖ Council of Scientific & Industrial Research (CSIR)
- ❖ Department of Atomic Energy (DAE)
- ❖ Department of Biotechnology (DBT)
- ❖ Defense Research & Development Organization (DRDO)
- ❖ Department of Science & Technology (DST)
- ❖ Board of Research in nuclear sciences (BRNS)
- ❖ Indian Space Research Organization (ISRO)
- ❖ Institution of Engineers (India) (IE)

	SARASWATI COLLEGE OF ENGINEERING	HR POLICY
Version 01		Effective Date: August 2016

- ❖ Ministry of Agriculture and FRRD
- ❖ Ministry of Communications and Information Technology
- ❖ Ministry of Non-Conventional Energy Sources
- ❖ University Grants Commission (UGC)
- ❖ University of Mumbai
- ❖ National Science Fund, U. S. (NSF)
- ❖ Industry - IBM, TCS, Infosys, TATA Motors, Honeywell, etc.

In addition to research projects, Government grants are received under the following Schemes:

- Funds for Improvement of Science and Technology Infrastructure (FIST)
- Fast Track Scheme for Young Scientists
- Swarnajayanti Award Projects
- Career Award for Young Teachers
- Better Opportunities for Young Scientists in Chosen Areas of Science and Technology (BOYSCAST)
- Modernization and Removal of Obsolescence (MODROBS)
- Thrust Area Program in Technical Education (TATE)
- Women Scientists Scheme
- Young Scientists Research Award

➤ **Important Guidelines**

All the faculty members who intend to apply for R&D projects and grants, and all those who have obtained approval for their projects from various apex bodies, industries and universities shall follow the work procedure given herewith.

- Every research proposal shall pass through a multi-tier review, where the proposal shall first be reviewed by the PI/ Co-PI themselves, then by the concerned Head/ experts in the department, followed by other eminent researchers in the field. The proposal shall then be vetted by the research review committee (RRC) before submission to the funding agency.
- It is advisable to have a faculty working in the same field, as Co-Investigator; for every proposal submitted for funding to external agencies. The faculty proposed as Co-Investigator, shall preferably be from the same department as the Principal Investigator.

	SARASWATI COLLEGE OF ENGINEERING	HR POLICY
Version 01		Effective Date: August 2016

- All applications related with R&D shall be routed through the Head (R&D) along With one hard copy for R&D records. A soft copy shall also be emailed to the Head R&D; and the department representative in R&D cell as well as the HOD shall be copied on the email.
- Separate dead stock registers shall be maintained for all R&D as well as externally funded projects in every department.
- Purchase of instruments, software, etc. and the audit report made for the same shall follow the SES Accounts Department guidelines
- Principal Investigator and Co-Investigator shall ensure that the instruments, software, etc. purchased are secured in the laboratory department.
- The entire sanctioned amount shall be utilized as per the guidelines of the funding agency.
- In case the Principal Investigator leaves the institute; all the items, instruments, software, etc. purchased shall remain as an asset of the institute.
- All HODs must regularly and diligently update the R&D information and achievements of their departments in the R&D page on the institute website through Head R&D.

➤ **Policy for Procurement and Maintenance**

- The purchase committee for any research project shall comprise of, The Principal, Head (R&D), concerned HOD and PI/ Co-PI. Their role is to streamline the purchase requests and gauge its utility; in completion of the project. The said committee shall also look into the recruitment of JRF/ SRF, if any.
- The accounts department shall submit a photocopy of, the sanctioned letter and cheque/ DD to the concerned Principal Investigator (PI) of the research project.
- The P.I. shall immediately plan and apply in writing to the Principal, through Head (R&D) for releasing the funds (towards, travel, contingency, consumables, books, technical assistance, hiring charges, etc. i.e. excluding the equipment cost and salary, if any). The Accounts Department shall immediately release the amount on receiving the sanction from the Principal. The PI shall settle the accounts, for the released amount on or before 31st of March every year.

	SARASWATI COLLEGE OF ENGINEERING	HR POLICY
Version 01		Effective Date: August 2016

- The PI shall also plan for purchase of equipment's as per the existing purchase procedure of the institute. A minimum of two quotations are necessary for the equipment's to be purchased. The only exception to this shall be proprietary items, where the PI has to submit a justification. The entire purchase of equipment's for the research project shall be completed, positively within one month of receiving the grant for the same from the management or the funding agencies.
- It is advisable, though not mandatory to procure high end equipment's from reputed manufacturers with a proven track record.
- All the sanctioned funds shall be spent as per the guidelines of the concerned funding agency.
- All the equipment's purchased, shall first be registered in the Stores and then in the DSR of the R&D in the department. This will help to have a uniform procedure and smooth functioning of purchase procedure under R&D. The total expenditure under R&D can then be easily identified.
- In case PI leaves the institute, the Co-PI shall be fully responsible to complete the project as per the guidelines of the concerned apex bodies.
- If the PI is not in a position to continue the project, the PI shall utilize all the funds received as on date and submit the utilization certificate and progress report to the R&D Cell. He shall only then be relieved from his duties.
- The PI/ Co PI shall complete the project by all means within the stipulated period and submit the audited statement of expenditure, utilization certificate and progress report to the concerned funding agency. A copy of all such documents shall also be marked to Head (R&D) for records.

➤ **Seed Money**

Seed money for R&D project shall be distributed by the following procedure:

- Submission of proposal/s to funding agency
- Application for seed money through the respective HOD
- Scrutiny by R&D cell on sanction of the submitted project
- 25 % of the sanctioned project cost shall be given as seed money from the department R&D budget to start the procurement which will be recovered at a later stage after receiving the grant.

	SARASWATI COLLEGE OF ENGINEERING	HR POLICY
Version 01		Effective Date: August 2016

➤ **Research Review Committee (RRC)**

This committee (RRC) is formulated to specifically oversee the research proposals by faculty and Post Graduate dissertations. The RRC shall comprise of,

- Principal
- Head (R&D)
- Head of Department (concerned Dept.)
- P. G. Coordinator (only in case of M. E. Projects)
- Project Guide & Co-Guide (only in case of M. E. Projects)
- Subject Expert/s

All the prospective Principal Investigators should ensure that the research proposal is presented before the RRC well in advance prior to the submission. The HOD should ensure that the project work of PG students is presented before the RRC at least 90 days prior to the submission.

It may kindly be noted that, the research proposal of faculty shall be submitted to the funding agency only after presentation to RRC. Similarly, the project work of every PG student shall be submitted to the university, only after the approval by RRC.

In addition to this, the RRC shall also look into,

- Collaboration with research organizations
- MoU with industries and overseas universities
- Training and Consultancy
- Continuing Education (including Add on Modules)
- Industry Sponsored Projects

➤ **R&D Incentives**

The institute follows a unique point based incentive scheme to reward the research work carried out by faculty in the respective year. This is a one of its kind scheme initiated with the patronage of Hon. Principal SCOE and serves as an effective motivation for faculty, to undertake research in their chosen areas of interest. The various points considered for R&D incentives are tabulated below,

IMPORTANT NOTE

THE FACULTY MEMBER HAS TO CONTRIBUTE FROM

(MINIMUM) 1 CRITERION IN CATEGORY 1 AND 1 CRITERION IN CATEGORY 2

TO BE ELIGIBLE FOR R&D INCENTIVE

Incentive Criteria

The points to be considered for recommending R&D incentives are tabulated herewith;

R&D Incentive	Points \geq for		
	Assistant Prof.	Associate Prof.	Professor
1	50	100	100
2	100	200	200
3	150	300	300
4	200	400	400

Note: The period of consideration shall be from 1st July to 30th June

All such faculty eligible for R&D incentives shall submit the report with supporting documents to the HOD, through the Research Coordinator of the department by 20th of June every year. The HOD along with some senior faculty members shall then carry out a rigorous scrutiny at the department level; and ensure that their recommendations reach the R&D cell, latest by 25th of June, every year.

Mode of Execution

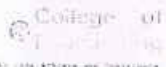

The R&D Incentive scheme shall follow a transparent, multi-tier process with the following authorities;

Evaluating Authority: Head of Department

Reviewing Authority: Head (R&D)

Recommending Authority: Principal SCOE

Approving Authority: Hon. Secretary SES

➤ R&D Budget

The HODs shall formulate the yearly R&D budget, in close co-operation with the senior faculty members in the department. The same shall be forwarded to, The Principal through Head (R&D).

The HODs shall ensure the inclusion of, appropriate amount of seed money required, based on the number of proposals submitted to external funding agencies. This budget may also include certain high-end equipment's required exclusively for research, in the thrust areas identified by the department.

All HODs shall submit a report on the amount spent on R&D for the prevailing financial year by 10th of April. The R&D expenses shall invariably include:

- External Funded Projects
- Faculty Development Programs, Conferences, Workshops, STTPs, Symposia etc. (organized and attended by faculty)
- Specific Procurement for Research
- Deputation for Higher Studies
- Honorarium paid for talks and lectures by eminent researchers
- Industry Institute Interaction (Students and Faculty)
- Collaboration and MoU with Industry and R&D Organization

Rules/Policy Document for Consultancy Projects, Sponsored Projects, Training Programmes and CEP's

Industrial consultancy is vital in the growth of any Organization imparting higher technical Education. Continuing education enables us to reach to the outside world and contribute toward societal improvement at large. SCOE aims to be in the forefront of all these activities and thus be an aid in the national Growth.

Norms for consultancy and Industrial projects: Type A

Consultancy and industrial projects would only be accepted after approval through proper channel. SCOE would enter into any such industrial project or provide consultancy to it by signing proper consultancy agreement between the two parties. Such agreement would clearly mention the terms and conditions, financial aspects and related terms involved, institute liability, legal aspect, time constraints, deliverables, and limitations of the project consultancy agreement. The Document would be signed by the Faculty/Staff, Head of the organization and the competent authority from the other party in agreement. Consultancy projects would be taken up by the departments of the institute shall be examined form the point of view of science and technology content and its likely benefit to the academic and R&D activities at the institute, which can in turn influence Quality and standard of academics at SCOE. Every project proposal would be examined and approved by institute level committee before it is being accepted for being conducted.

The committee would consist of

- Principal SCOE (Chairman)
- Head R&D (convener)
- concerned Head of the Department (Advisory member)
- Technical Expert in the subject area (nominated by Principal SCOE) (Advisory member)

The Department R&D Coordinator would maintain the documentation /Records of such committee meetings. The Department R&D Coordinator would further fix and schedule such meetings as and when required and send invitations to the chairman, convener, Advisory members and invitees as per everyone's convenience, the minutes of such meetings would be officially recorded.

	SARASWATI COLLEGE OF ENGINEERING	HR POLICY
Version 01		Effective Date: August 2016

The faculty members proposing to take up the consultancy work would be termed as invitees at such meetings and they would be required to make a presentation of the consultancy proposal. In case of testing the concerned faculty may present the case.

The work shall be classified as Class A type of work if it adheres following constraints:

- Type A : consultancy and industrial Projects (Individual / Joint)
- A1: That do not require laboratory Facilities
- A2: That require laboratory Facilities

Norms for Training Programmes and CEP's: Type B :

Individual Faculty members or departments may take up Training program. Such continuing Education program undertaken by the Department or individual faculty need to be presented in front of Principal SCOE. The proposal to arrange such a Training program should contain the need and necessity of such training program, The Trainers and their academic and trainer profile, Module wise syllabus, Time scheduling, Fees, Evaluation method of the trainees at the end of training, Certificate Sample, Advertising Leaflet, Venue, Requirements and human resource support from the organization as may be required. The head of the institution would examine and approve such proposal if found suitable and in the interest of the trainees and the organization. The organization would enter into a formal agreement if the training is arranged by an Outside individual / Organization or a faculty which would mention the resources that would be provided by the institute and the revenue sharing aspect thereof.

The said training programmes can be offered to people/Students/ outside faculty from outside of the college and outside organizations in non-academic hours.

The said consultancy shall be classified as Type B if it is subjected to following constraints.

- Type B: Training courses and Continuing Education programs (Individual or Joint)
Offered for inside or outside participants
- B1 : Imparted by Institutes manpower
- B2 : Imparted by outside agency

Revenue Sharing:

The Revenue sharing here implies the difference of income and expenditure.

21. POLICY ON CONTINUATOUS EDUCATION PROGRAM (CEP) FOR FACULTY

1. Preamble

- 1.1 This policy is in line with the CEP Policy outlined by AICTE.
- 1.2 The policy is aimed at supporting the existing faculty in pursuing full time Ph.D. with study leave.

2. Applicability

- 2.1 Only for pursuing Ph.D. with premier institutions or as approved by the management.
- 2.2 Ordinarily, only one faculty per 10 faculty in a department shall be eligible (on first come first served basis) to avail the facility of study leave under this policy.
- 2.3 However, depending upon other considerations, the Management may entertain more or less candidates than indicated in clause 2.2.
- 2.4 Faculty should have completed at least 2 years of service in SCOE to be eligible for study leave under this policy.

3. Procedure

- 3.1 Faculty planning to proceed for their PhD will inform the Principal of the Institution from and the time frame over which they plan to pursue their PhD. The Principal shall give in-principle recommendation to proceed. However, the actual sponsorship of the candidate under QIP will be subject to the overall criteria governing the number of candidates in each department and other considerations governing the scheme, and will be decided by the Committee (mentioned in 3.2).
- 3.2 The faculty shall submit a formal application in prescribed form for sponsorship under CEP (Annexure) to the HOD, who shall forward the application to the committee with his comments. A Committee consisting of HOD, Associate Dean (R&D), Principal will take the final decision in this regard, keeping in mind the overall faculty situation.
- 3.3 Based on the recommendations of the committee, the study leave would be sanctioned for 3 years or less (in exceptional cases).
