**Academic Year:- 2018-19**

**Summary of feedback Action received from faculty members on the syllabus following observations are found :-**

1. Revision lectures/ Doubt clearing session for difficult subjects like EM IV, ARWP and EME should be conducted.
2. More soft skill sessions/ Group discussion sessions should be taken to enhance overall personality development.
3. Syllabus design should be more practical oriented.
4. Coding should be included from second year onwards.
5. More software related subjects should be included in the syllabus for increasing employability opportunities for electronics and telecommunication students.
