Subject: Copyright Transfer for publication of the articles in STM Journals and JournalsPub.

It is herein agreed that the copyright to the below listed unpublished and original articles are transferred to STM Journals and JournalsPub. This copyright transfers covers the exclusive rights to reproduce and distribute the contribution including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature.

The copyright declarations obtained from the authors for the publishing of the said articles are also enclosed for your reference along with the articles. As declared by authors, the manuscripts are not published already in part or whole (except in the form of abstract) in any journals or magazine for private or public circulation and are not under consideration of publication elsewhere. The authors agree to the terms of this copyright Notice, which will apply to this submission if and when it is published by this journal.

Thanking you with kind regards.
