**DEPARTMENT OF INFORMATION TECHNOLOGY**

**Action taken based on feedback from students**

**Academic year 2023-24(ODD SEMESTER)**

**Summary of the feedback received from faculty members on the syllabus**

Based on the feedback collected from the faculty members on the syllabus following observations were found.

- Some topics which are dealt with extra efforts by conducting slightly longer duration are given less time as per the syllabus.
- Students with relevant work experience could participate in interactive sessions.
- Some topics which are dealt with extra efforts by conducting slightly longer duration are given less time as per the syllabus.
- To make students visualize some of the processes and mechanisms some form of visual aids like animation must be incorporated during teaching.

**Department of Information Technology**  
**Action taken based on feedback from students (CO & PO)**  
**Academic year 2023-24 EVEN SEM**

**Summary of feedback received from faculty members on the syllabus**

Based on the feedback collected from the faculty members on the syllabus following observations were found.

- Require knowledge of the newest technological advancements in industry
- Videos are necessary for a deeper comprehension of subjects.
- Need some extra lectures for mathematics problem solving and practice.

**Action Taken:**

- To make students visualize some of the processes and mechanisms visual aids like animation is incorporated during teaching.
- Some topics are covered with extra duration which are given less time as per the syllabus.
- In order to increase students' understanding seminars/workshops are organized
