## Report on AVISHKAR-2017

Saraswati College of Engineering is organizing the Project Competition “Avishkar” from 2011 for the engineering students. The main objective to organize the National Level Project Competition “Avishkar-2017” is to provide a platform and to bring the students together from the different Engineering Colleges under one roof. Also, the student should get a chance to showcase their research talent, innovative ideas, share their research experiences during tenure of their engineering graduation.

At the same time to motivate them, appreciate their efforts, to encourage them and to have chance to interact with the students from the different discipline and off course with the expert from the different field of Engineering.

Avishkar-2017 was scheduled for two days, 6<sup>th</sup> and 7<sup>th</sup> April, 2017. The competition was divided in five themes viz. Civil, Mech/Auto, Software, Hardware. Four experts (judges) from the industry best in their field were called to judge the above mentioned first four themes and the fifth theme was judged by all together. The projects displayed were in the form of scale models, full scale model, poster, prototype etc. Total number of students participated during the competition was about 736.

Esteemed judges called for the event to guide the students and select the best out of best areas;

Sr. No.	Name	Organization	Theme
01	Mr. Ramchandra Bandivadekar	Ericsson India Global Services PVT LTD, Mumbai	Hardware
02	Mr. Vijay Ghuge	Deputy Manager, PVT & SQA, Mahindra & Mahindra Ltd, Automotive sector, Mumbai	Mech/Auto

## GLIMPSES of AVISHKAR-2017

Inauguration of Avishkar-2017

Participants explaining the project to Principal, Dr. Manjusha Deshmukh

Mr. Vijay Ghuge (Judge for Mech/Auto Theme) listening the students patiently
