Report on AVISHKAR-2019

Saraswati College of Engineering has organized the Project Competition "Avishkar" from 2011 for the engineering students. The main objective to organize the Project Competition "Avishkar-2019" is to provide a platform and to bring the students together from the different Engineering Colleges under one roof. Also, the student should get a chance to showcase their research talent, innovative ideas, share their research experiences during tenure of their engineering graduation.

At the same time to motivate them, appreciate their efforts, to encourage them and to have chance to interact with the students from the different discipline and off course with the expert from the different field of Engineering.

Avishkar-2019 was scheduled on 4th April, 2019. The competition was divided in themes viz. Civil, Mech/Auto, Software, and Hardware. Five experts (judges) from the Academic/industry were called to judge the participant project. The students had the choice to present their work either by displaying the model or through poster..Total number of students participated during the competition was about 737.

Esteemed judges called for the event to guide the students and select the best out of best is as;

Sr. No.	Name	Organization	Theme
01	Dr. Uttam Kolekar	Principal, A P Shah Institute of Technology, Thane	Hardware
02	Mr. Jitesh Madhavi,	FIAT Chrysler Automobiles, Manager-Body Engineering, Pune	Mech/Auto
