Swacchata Pledge

Date: 22/08/2016

India is surging towards becoming world super power but our roots are still weak in terms of responsibility for our country. Awareness for cleanliness is a major undertaking by the Indian Government. Swachha Bharat Mission is inspired by the ideology of Mahatma Gandhi for India.

The NSS volunteers of Saraswati College of Engineering had distributed the work of taking cleanliness pledge throughout the college.

Each volunteer gave a brief idea about importance of cleanliness in our country and asked the students, faculties, and staff to pledge for paying their important role in the cleanliness of our country. Around 1000 plus students and staff members took the swacchata pledge!
