**DEPARTMENT OF FIRST YEAR ENGINEERING**  
**Academic Year 2016-17**

**REPORT on Extempore Competition**

Date: 06.03 2017

Venue: Seminar Hall (Second Floor)

Attendees: **FIRST YEAR STUDENTS**

The SCOE College always strives to cater to the all-round development of their students. The main focus of the college has always been on improving the Soft Skills amongst the students. The "**Extempore Competition**" was arranged on 6<sup>th</sup> March 2017, for the First Year Students who have joined in the academic year 2016-2017. The Competition started at 12.00 noon in the Seminar Hall at Second Floor. The Program was attended by 75 students. The objective of the competition was to make the students confident and better orators so that they can fearlessly express their views on any topic. Extempore is an excellent way to assist the students not only in spontaneous thinking but also in asserting their creative ideas with precision. The students were asked to pick up chits for the topics. The topics in the competition were associated with varied subjects such as Current Affairs, Spoken English, Social Science, Computers and Technology.

The participants delivered their speeches with great confidence and left no stone unturned to give in their best on the topics they got. They were asked to present their views in the time slot of 2 minutes. The judges found it very difficult to select the best three students from all the passionate participants. They were judged on the criteria of content, fluency, voice modulation and body language. The students showed great fervour and poise in their respective presentations.

The competition concluded successfully with great words of encouragement and appreciation from the respected judges.

All the winners were congratulated and the certificate distribution was done by Hon. Principal, FE (HOD) and the convener, Prof Alka Purohit.

The program concluded with the vote of thanks given by Prof. Alka Purohit .
