## Report

Department of Information Technology

Academic Year 2017-18

Business Communication & Ethics Practical Tasks

Third Year: Sem: V - ODD

---

Business Communication & Ethics as a subject of professional communication gave both, theory as well as the practical application of the conceptual learning to the students.

The theory and practical of BCE were done successfully where the students learnt the importance of professional communication and practically performed the lessons learnt based on the concepts of the interpersonal communication in an official environment. The concepts were given as part of theory lectures and further discussed based on the specified formats and requirements. It was a new learning experience for the students considering various modes of communication channels, the methods to communicate and development of interpersonal skills considering global requirements.

The students performed the tasks and were able to learn communication in an individual as well as a group activity format. The task entailed understanding the main headings, requirements and preparation of resume. The Report presentation and submission was done by all the Groups based on the conceptual learning of the format, language and style of report writing. Business proposal was prepared by all the groups. The Group discussion done gave them an experience of live communication on various topics, issues and the ways to participate in a group discussion.

At the end of the course, the students successfully submitted the relevant documentations based on the prescribed format.

**Objectives of the course for the students:**

The students should be able to-

- Discern and develop an effective style of writing important technical / business documents
- Investigate possible resources and plan a successful job campaign
- Understand the dynamics of professional communication in the form of Group discussion
- Develop creative and effective presentation skills
- Analyze personal traits, interests, value aptitude and skills.
- Understand the importance of integrity and develop a personal code of ethics

**Methodology: Theory lectures & Practical tasks- Individual & Group activity as per the requirement**

- Resume and statement of purpose writing
- Report documentation and presentation
- Group discussion
- Meeting & documentation
- Business proposal
- Case study

**Course outcome: The students were able to-**

- Plan and prepare effective business proposal and Reports
- Emerge successful in Group discussion, meetings and meet the demands of the industry
- Prepare resume and statement of purpose.
- Apply ethical code of conduct in an organization
- Learn interpersonal communication
- Develop creative thinking and official presentations.

**DEPARTMENT OF FIRST YEAR ENGINEERING**  
**Academic Year 2017-18**

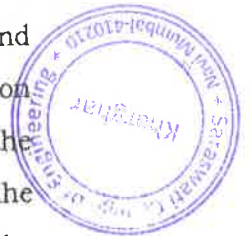

**REPORT on Group Discussion Competition**

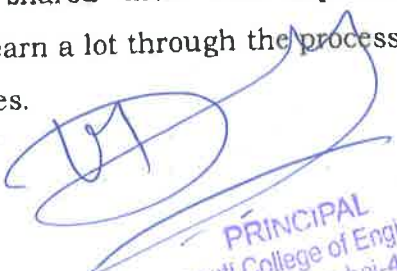

Date: 05.03.2018

Venue: Seminar Hall (Second Floor)

Attendees: **FIRST YEAR STUDENTS**

The "**Group Discussion Competition**" was arranged on 5<sup>th</sup> March 2018, for the First Year Students who have joined in the academic year 2017-2018. The Competition started at 11.00am in the Seminar Hall at Second Floor. The Program was attended by 100 students. The group discussion process facilitates participatory discussion among group members. As the name suggests, it is a discussion on a given topic where members arrive at a conclusion within the group in the specified time limit. There were a total 100 participants for Round-I, which were divided into 10 groups. Group Discussion was conducted for the groups with the same topic separately and then 5 groups were shortlisted for Round-II. A new topic was given for Round -II and finally One group was declared as the winner of the Group Discussion Competition on the grounds of preparedness for the topic, relevance to the given topic and non-redundancy of points. The performance of all the participants was very promising. The Judges guided the students regarding the Group Discussion Process and also shared their own experiences. The participants expressed that they got to learn a lot through the process and they were motivated by the Judges Experiences.

Hon. Principal of SCOE, Dr. Manjusha Deshmukh, Dr. Sayali Choudhari - FE Co-ordinator and all Heads of Different Departments and other first year faculty members were present to grace the occasion.

All the winners were congratulated and the certificate distribution was done by Hon. Principal, FE (HOD) and the convenors, Prof Alka Purohit and Prof Neha Sharma.

The program concluded with the vote of thanks given by Prof. Alka Purohit

**CIVIL ENGINEERING STUDENTS ASSOCIATION (CESA)**  
**GROUP DISCUSSION AND TECHNICAL QUIZ COMPETITION**

**Date** - 27<sup>th</sup> September 2017

**Venue** - Seminar hall, 2<sup>nd</sup> Floor

**Time** - 10am - 4.30pm

Civil Engineering Students Association (CESA) organised a "Group Discussion and Technical Quiz competition", not only to gauge the technicality but also to dose up the fresh engineers with the qualities needed to persist in the professional world, under the guidance of CESA faculty coordinator Prof. Yugandhara Kasture mam and HOD of Civil Department Prof. Roshni John mam.

The event was inaugurated by HOD of Civil Department Prof. Roshni John madam, at around 10.30am by very first remembering Goddess Saraswati with a lamp lighting. A small welcome speech was given by our HOD madam to boost up the enthusiasm of student participants. The total number of participants in group discussion were 43 and for technical quiz, a total of 41 groups ( 9 groups of SE, 20 groups of TE and 13 groups of BE) were registered.

The candidates registered for the Quiz competition were then split into categories based on their engineering year for the very first technical round. The Quiz consisted of 3 rounds of elimination viz. Multiple Choice Questions round, Rapid fire round and Buzzer round respectively and was judges by panellist Prof Harshal Deshpande and Prof Yugandhara Kasture.

The Group Discussion Competition was held in teams of 8 students each on a wide range of topics related to current social issues and judged by panellist Prof. Sujaya Wadekar and Prof Rishi Sinha. It consisted of three rounds each of increasing difficulty level.

The event was fairly and smoothly managed which came to an end marking up the prize distribution ceremony for the winners headed by our Civil Department faculty with a vote of thanks extended by our CESA faculty coordinator Prof. Yugandhara Kasture.

Looking at the number of active participation and tough competition, it can be concluded that the purpose of event was fulfilled.

**Subject- Permission to grant attendance for CESA event "Technical Quiz & Group Discussion"**

Respected Madam,

We the members of CESA had our event "Technical Quiz & Group Discussion" on 27<sup>th</sup> Sept. For the event preparation we couldn't attend any lectures on 27<sup>th</sup> Sep, 2017. So I kindly request you to **grant attendance** for the same. Thanking you.
