About Program

The department of Information Technology conducted Alumni Talk by Mr. Siddharth Kirti (2014-2018) on 8th Oct 2021 for third year and fourth year students of Information Technology. Siddharth is currently working as Financial Solution Developer in TCS company and moving to USA in next year for Masters. He shared his experiences about college days, working environment in MNCs and guided well students for higher studies in abroad. He interacted with students about need, expectations, conditions and formalities need to pursue higher studies. He also suggest students to utilize pandemic situation for earning more knowledge and update technical skills to get into the industry. The session was very informative and interactive for students and staff.
