### Event summary

A Webinar was arranged on 29<sup>th</sup> May 2020 regarding the Career Opportunities in Civil Engineering. The core committee, the HOD’s of both the shifts managed to arrange this webinar for the students. The webinar is guided by senior structural engineer Parthesh Parekh which belongs from Raje Structural Consultants Pvt Ltd. The complete Webinar is based on Structural engineering.

The webinar was conducted on the online platform which is Gmeet. The subject of the webinar is “What’s Next”. The registration of the webinar was done through circulating the Google Form. More than 100 students were registered for the event through google form link. The Technical team arranged the entire webinar online and helped this event to achieve the success. The important outcome of the event is that, Students were able to orient themselves for their career and to find future opportunities in civil field.

The Webinar began at 12:00am. All the CESA and the students of Civil branch were present. The guests were wholeheartedly welcomed by the HOD of the 1st shift, Prof. Roshni John.

For the vote of thanks, the HOD of 2nd shift, Prof. Pooja Somani stepped up and successfully concluded the webinar. At the end of the webinar, the technical team forwarded a Google form link which included feedback and questions regarding the webinar. Thus, by answering and submitting the Google form, all the participants were rewarded with a digital certificate.
