Subject : Designing of Commercial Vehicles.  
Date : 27th February 2021

Event Platform : Google Meet App  
Time : 11:00 AM

## 1. Introduction:-

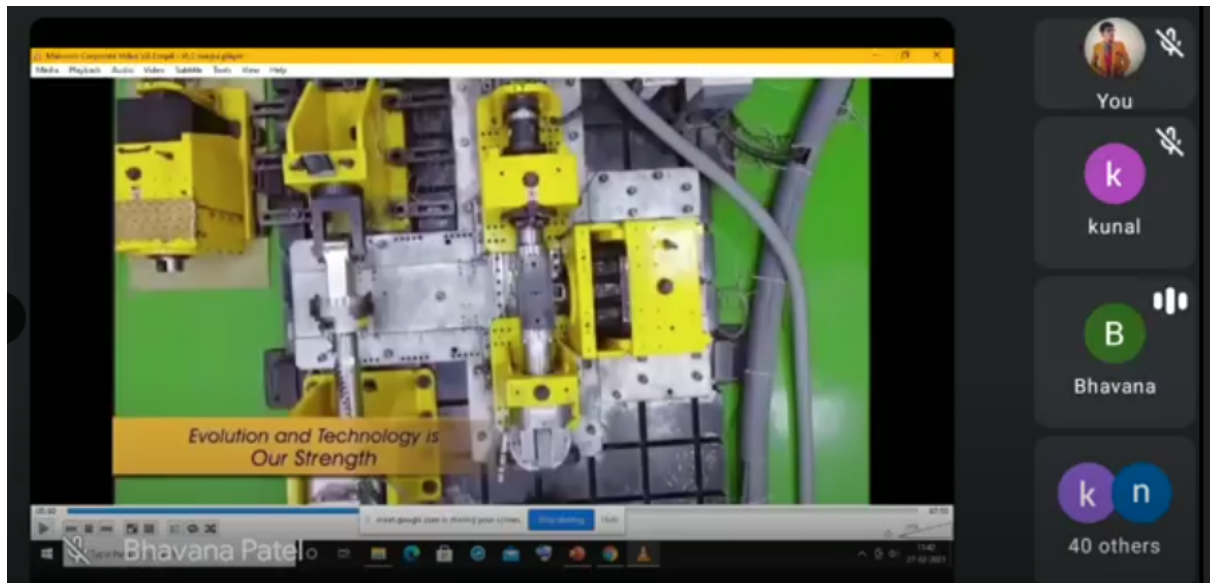

This was the one hour session, which conducted on 27<sup>th</sup> Feb, 2021 at 11:00 am onwards. This session was about to introducing the Designing of Commercial vehicles with engineering students, so students can choose Designing Sector as a Career. Our Guest worked as a Design Engineer at Mansons International and has lots of experience about it.

## 2. Conduction of Session :-

The Guest was Miss Bhavana Patel, she is currently working as a Warranty claim Analyst at Accenture Pvt. Ltd. And our Host for this session is Mr. Kunal More. He welcomes our Guest and gave introduction to all of us. After introduction, session was handover to our Guest. She tell us about how she started working as a Design Engineer. she took almost 20 to 30 mins to share proper knowledge for our understanding

### 3. Interaction of Session :-

After 11:45 we started our students and Guest interaction session. One of the students asked her, if I worked as a Design Engineer then which kind of other opportunities are there for me as a career?

On this question she gave us proper information about it and guided us.

### 4. Thank You :-

In last 10 minutes we took Thanking session for our Guest. By the end of this session, we had lot of information about Designing of Commercial Vehicles.
