Report on AVISHKAR-2019

Saraswati College of Engineering has organized the Project Competition "Avishkar" from 2011 for the engineering students. The main objective to organize the Project Competition "Avishkar-2019" is to provide a platform and to bring the students together from the different Engineering Colleges under one roof. Also, the student should get a chance to showcase their research talent, innovative ideas, share their research experiences during tenure of their engineering graduation.

At the same time to motivate them, appreciate their efforts, to encourage them and to have chance to interact with the students from the different discipline and off course with the expert from the different field of Engineering.

Avishkar-2019 was scheduled on 4th April, 2019. The competition was divided in themes viz. Civil, Mech/Auto, Software, and Hardware. Five experts (judges) from the Academic/industry were called to judge the participant project. The students had the choice to present their work either by displaying the model or through poster..Total number of students participated during the competition was about 737.

Esteemed judges called for the event to guide the students and select the best out of best is as;

Sr. No.	Name	Organization	Theme

GUIDELINES / CRITERIA FOR EVALUATING POSTERS:

(1) Overall Visual:

- a. Are the components of the poster balanced across the space?
- b. Are text and graphics legible from a reasonable distance?

2) Overall Content:

- a. Are the components of the poster organized in a logical flow (from background through significance)?
- b. Do the findings support the conclusions?

(3) Overall Oral Explanation:

- a. Did the presenter sufficiently explain the poster and answer questions?
- b. Did the presenter speak clearly and distinctly?
- c. Did the presenter show enthusiasm about their topic?

(4) Overall Impact:

- a. Does this research have a potential to make a novel contribution to the field?
- b. Does the presenter understand the importance of this potential contribution?
- c. Does the presenter indicate they understand how this research fits into the overall field?
