Department of Information Technology

Webinar Report

Date: 09-08-2020

Event Name: Cloud Computing

Date: 09/08/2020

Timing: 11:00 am to 12:30 pm

Speaker:

Mr. Ramesh Kharat - Corporate Trainer under Prior TechnoWorld

Details:

Online Webinar on "Cloud Computing", was held on 09th August 2020, during 11:00 am to 12:30 pm. It was organized by the Department of Information Technology for second year students. 38 students participated in the webinar.

Ms Ramesh Kharat is a technology leader with decade of experience in designing, implementing and managing IT Services as Project Manager and Technical head in ISP/ Datacentre environment, with core expertise in Unix Technology. Certified Redhat and Corporate Instructor in Automation of IT Infrastructure, Redhat Linux, CCloud Computing and Devops

Objective of webinar:

- Improving and accelerating IT service delivery enables the business to run faster and deliver better user experiences.
- Speed and relevance of IT services is critical in this effort to run containers at scale across hybrid multicloud environments.
- Training outlined in this learning path helps candidates achieve success when moving to the hybrid cloud.

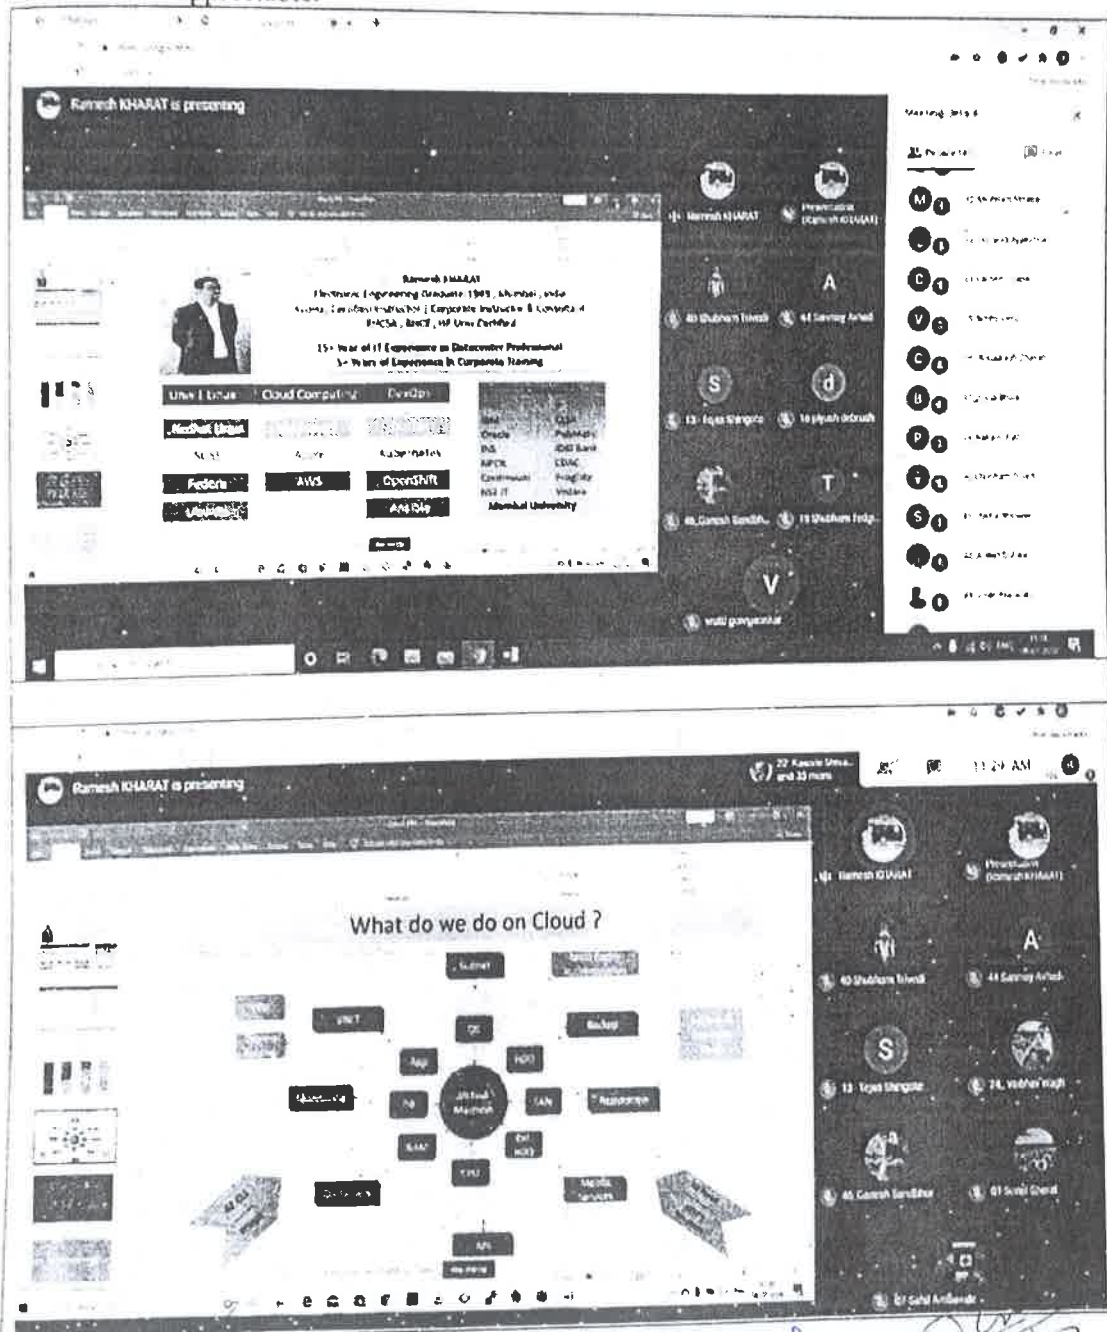

PRINCIPAL
Saraswati College of Engineering
Kharghar, Navi Mumbai-410210

The course content delivered during the session is as follows:

- Introduction to Cloud Computing
- Demonstration of Private and Public Cloud Deploy

A question answer session was kept after the speaker's session. The response and interaction of students was appreciable.

Contrivance-2020 Report

Date: 10-12-2020

Event Name: Contrivance-2020

Date: 8/12/2020

Timing: 10 am to 4 pm

Panel of Judges:

1. Prof. Vaishali Jadhav- Dean – Student Career Development
2. Sujata Bhairnallykar, HOD- Computer Engineering
3. Prof. Diksha Kumar, HOD- Information Technology
4. Prof. Paramjeet Thakur, Head- EN Cell

Details:

Contrivance-2020 an online website development project competition was held on 8th December 2020, during 10 am to 4 pm through Google Meeting. The competition was organized by the Department of Information Technology for third year students of IT and Computer Engineering departments. 31 groups (85 students) participated in the competition. It provided a unique opportunity for students to showcase their talent and to win recognition and reward.

Academic experts judged the competition. Judges motivated students and guided them through their valuable inputs. Best projects were selected considering various aspects such as:

- Content
- Structure and coding
- Navigation and user-flow

PRINCIPAL
Saraswati College of Engineering
Kharghar, Navi Mumbai-410210

- Visual/graphic design
- Functionality
- Interactivity
- Accessibility

Prizes were awarded to the winning teams.

Prizes:

1st Prize

Mumbai Metro won a cash prize of Rs.500 along with certificate. The amount was transfer to the student's account through online transaction.

2nd Prize

There was a tie, so two teams won second prize

- 1) Online Test
- 2) College Website

3rd Prize

Online Food Delivery web application

The 2nd and 3rd Prize winners were awarded gift prizes along with certificate.

All participants were awarded by participation certificate.

National level technical project poster competition "Technovation 2.0"

April 14 14:44 2020

by A. Dhau Print This Article Share it With Friends

Navi Mumbai (Kharghar) Saraswati college of engineering (SCOE), The ISF (IETE students forum of E&TC dept. SCOE) conducted national level technical project poster competition "Technovation 2.0". In this competition many students from different colleges participated. Due to lockdown this event was conducted online. Every activity of this competition were online. Students sent their posters online via mail with respect to given guidelines. The posters were digitized and further sent for the judgement round. Cash prizes were given to first 3 winners and others got participation appreciation certificate for their hard work. This competition gave chance to students to showcase their technical talent. In this way students have given a message to society to find new solutions for new problems. In lockdown situation we have to follow government guidelines and to continue our important work as possible. This Competition was held by ISF staff coordinator, ISF president and ISF Team Members with their efforts and hard work.

The Competition was successfully completed under the Special guidance of Dean prof. Sheetal Bukkawa, HOD Prof. Neha Mahajan and Principal Dr. Manjusha Deshmukh.

Greetings Saraswatians

Wanna learn Technical courses make the most out of this lockdown?

Well,

Saraswati Collage ofEngineering, Kharghar is starting TWO TECHNICAL COURSES-

1. Artificial Intelligence(HCIA)
2. Routing & Switching (R&S)

Under Huawei -ICT partnership program.

The speakers for the mentioned events are:

Prof. Maahi Khemchandani(HCIA)

Prof. Diksha Kumar(HCIA)

Prof.Arti Gore(R&S)

Interested student have to register the course on or before 29th september,2020(Wednesday)

Workshop Details

Name of Event: Workshop on "Huawei-HCIA" In

Association with Huawei ICT Partnership Program.

Date: 05/10/2020 TO 22/10/2020

Mode Of Conduction: Online- Google Meet

No. Of Participants: 07

Resource Persons/ Speakers:

1. Mrs. Arti Gore

Objective of Workshop:

The main objective of the workshop is to make students acquainted with the conceptual as well as practical knowledge of "Routing and Switching" intent of this workshop is towards increasing the employability skills of students with complete hands-on training. HCIA-AI certification is intended to popularize computing networking concept and learn the basic capabilities, as a motive to promote talent training in the R&S industry.

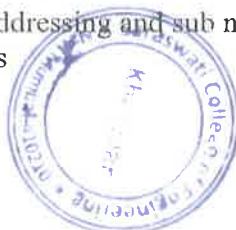

Workshop Outcomes:

After Completion of this Workshop students have attain an ability to

- Demonstrate a detailed knowledge of routing and switching terminology.
- Demonstrate a detailed knowledge of the operation and configuration of switches and routers including protocols and addressing.
- Design and implement a hierarchical IPv4 and IPv6 addressing and sub netting scheme.

Topics Covered in Workshop:

1. Routing and Switching Terminology
2. Configuration of switches and routers
3. Hierarchical IPv4 and IPv6 addressing and sub netting scheme
4. STP, RIP and IGRP Protocols

Objective of Workshop:

The main objective of the workshop is to make students acquainted with the conceptual as well as practical knowledge of Artificial Intelligence. Intent of this Workshop is towards increasing the employability skills of students with complete hands-on training. HCIA-AI certification is intended to popularize AI and help understand Deep Learning and learn the basic capabilities of programming based on the TensorFlow framework, as a motive to promote talent training in the AI industry.

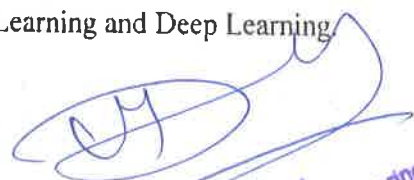

Workshop Outcomes:

After completion of this Workshop students have attain an ability to

- Through this course, you will systematically understand the AI development history, the Huawei Ascend AI system, the full-stack all-scenario AI strategy, and the algorithms related to traditional machine learning and deep learning; TensorFlow and MindSpore;
- Gain an advanced level understanding of Machine Learning and Deep Learning.
- Develop industry based projects.

Topics Covered in Workshop:

1. AI Overview
2. Machine Learning Overview
3. Deep Learning Overview
4. Tensorflow Mainstream Development Frameworks
5. Huawei MindSpore AI Development Framework
6. Atlas AI Computing Platform
7. Huawei Open AI Platform for Smart Devices
8. HUAWEI CLOUD Enterprise Intelligence Application Platform

To,
The Principal,
Saraswati College of Engineering,
Kharghar, Navi Mumbai.

Subject: Permission to conduct an online training on Auto Desk BIM REVIT Essential.

Respected Madam,

We, the Civil Engineering Department are willing to conduct an online Training on Auto Desk BIM REVIT Essential in association with APSIT Skills from 1st July 2021 to 5th July 2021. This training program will be conducted online via Zoom and will be charged Rs.475 per student. This training intends students to an hands on BIM software and its use in industry.

Please grant us the permission for the same.

Thanking you, in anticipation.

DEPARTMENT OF FIRST YEAR ENGINEERING
Academic Year 2020-21

REPORT ON EXPERT MACHINE LEARNING HANDS ON
WORKSHOP

Date: 27.02.2021

Venue/ Platform: Google Meet (Online)

Attendees: **FIRST YEAR STUDENTS**

The First Year Department of engineering had arranged a Hands on Workshop on 27th Feb 2021, for the First Year Students who have joined in the academic year 2020-2021. The workshop started at 11:00 am on Google meet platform.

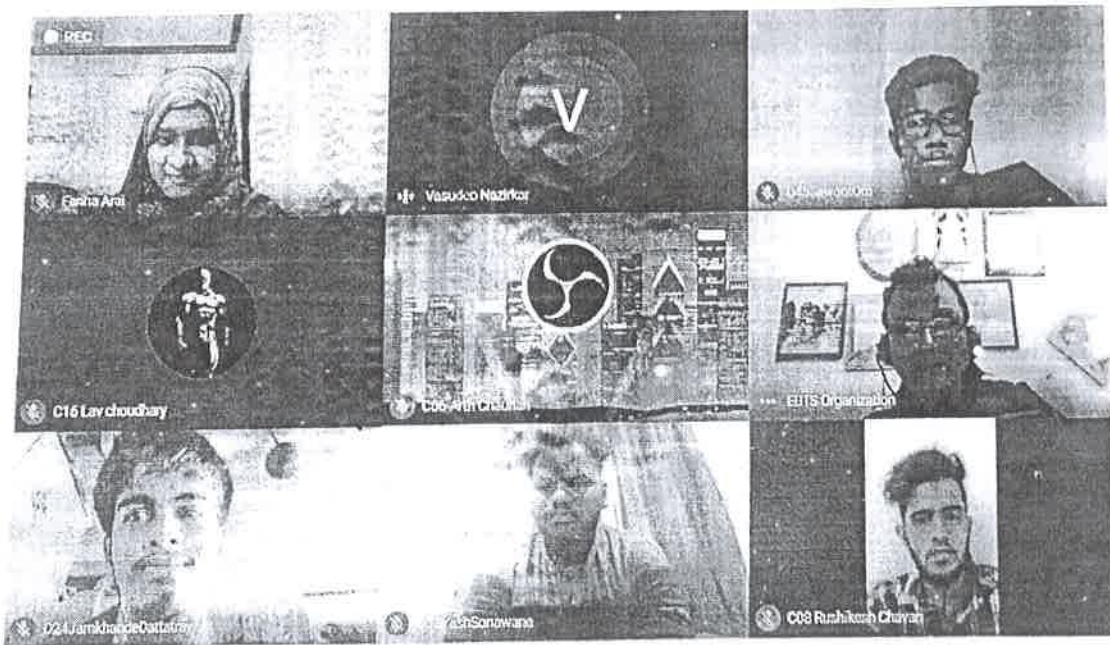

PRINCIPAL
Saraswati College of Engineering
Kharghar, Navi Mumbai-410210

The program started with the welcome speech by Dr. Pinki Narwal focusing on the importance of this session. Mr. Arunjit Chowdhury was the guest speaker for this session. The session was further conducted by Mr. Arunjit Chowdhury from Enterprise Building Training solutions who emphasized on the importance of Machine Learning for today's students and also discussed various examples on how machine segregate data. The workshop was attended by 100 students. Students participated with patience and also got a clear idea regarding the particular topic.

The Workshop was an interactive one as they had a question and answer round too. The students at the end of the session shared their experiences and knowledge regarding the particular workshop.

The program was concluded with the vote of thanks given by Dr. Pinki Narwal.

SCOPE-AVISHKAR 2021

1) **Date of Conduction** : 30th April 2021

2) **Principal** : Dr.Manjusha Deshmukh

3) **Convener** : Prof. Suhasini Parvatikar

Prof. Sunil Jankar

4) **Department Coordinators** :

Prof. Vishnu Das A. V. L. Chodankar (Auto)

Prof. Asmita Lakhote (Civil shift II)

Prof. Shubhada Pradeep Deshmukh (Civil Shift I)

Prof. Monali Deshmukh(Comps)

Prof. Ragini Sharma(IT)

Prof A. Nalini Deepthi(Mech Shift I)

Prof. Sunil Sopnur(Mech Shift II)

Prof. Sarita Kale(EXTC)

5) **Objective**:

Student will be able

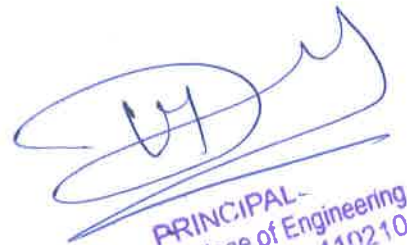

a. To understand structure and flow of project.

b. To present their final year project.

c. To build confidence and to make students **resilient, strong, and confident** which will be helpful in their placements.

6) **Description**: This competition is conducted for final year students of **EXTC, COMPUTER, IT, MECHANICAL, CIVIL and AUTOMOBILE**. Many Students from different colleges were invited to participant. About 829 students presented their final year project. Department wise projects are evaluated based on the presentation skill, knowledge and prototype model of project. Judges selected best 2 projects as winner and runners-up from each department and was motivated with some exciting prizes and certificate.

7) **Conclusion**: This competition gave a platform for evaluating final year project & Students got live experience of project presentation.

8) Judges List:

Sr. No.	Name	Organization	Theme
01	Prof. P. J. Salunkhe	Professor, Department of Civil Engineering, MGM college of Engineering, Kamothe.	CIVIL
02	Dr. Bhashkar Gordas	Prof. Department of Mechanical Engineering, M. H. SabooSiddik College of Engineering, Byculla	MECH
03	Dr. Aparna Bannore	Head of Department, Computer Engineering, SIES, Nerul	COMP
04	Dr. Mukesh M. Raghuvanshi	Director & Professor, Symbiosis Institute of Technology, Nagpur	IT
05	Dr. Nilesh Gnongade	Associate Prof. Department of Mechanical Engineering, M. H. SabooSiddik College of Engineering, Byculla	AUTO
06	Dr. RanjanBala Jain	Professor, Vivekanand Education Society's Institute of Technology, Chembur.	EXTC
	Dr. Sarika Bukkawar	Assistant professor Shah and Anchor Kutchhi Engineering College,Chembur.

About Professional Experience:

1. Thesis Supervisor, upGrad, Bangalore
2. Artificial intelligence and Machine Learning Researcher at tensorBrew, Hyderabad
3. Mentor in Certification in Artificial Intelligence and Machine Learning by E&ICT Academy, IIT Guwahati
4. Member of Curriculum Advisory Committee, Regenesys Business School, South Africa
5. Subject Matter Expert at Whitepanda, Bangalore
6. Freelancer Data Scientist, Sudiksha Analytics, Hyderabad
7. Industry Mentor at Northern Cap University, Noida.
8. Consultant in AIML at IIOT Labz, Nagpur
9. Consultant in AIML at Cyber3ra, Nagpur.
10. Expert Advisor in AIML at Savitribai Phule Pune University.
11. Adjunct Faculty in AIML at Dr. DY Patil Institute of Engineering Management & Research, Pune.
12. Corporate Trainer in Data Science, Machine Learning and Artificial Intelligence

About Education:

- Pursuing Phd in Machine Learning from SVVV, Indore.
- PGP in Artificial Intelligence and Machine Learning from University at Texas at Austin, USA
- M.Tech (VLSI Design) from GHRCE, Nagpur.
- B.E (Electronics and Telecommunication) from JDIET, Yavatmal.

About Achievements:

1. "VDGOOD Inspirational Scientist Award" in the 7th International Scientific Conference on Science and Medicine.
2. Awarded as "Excellence in Research (HEI Awards)" by THE PROGRESS GLOBAL AWARD 2020
3. Awarded as "Best in Innovation, Training and Design Award" by "International Association of Educators and Corporate Trainers -IAECT Award 2020".
4. Awarded as "Best Corporate Trainer Award" by "International Association of Educators and Corporate Trainers -IAECT Award 2020".

> International Talk

1. Delivered webinar on "Transition to Artificial Intelligence and its Opportunities in Industries" in Association with Easy Learn training Institute, on 17th Feb 2021 Dubai, UAE
2. Delivered webinar on "Transition to Machine Learning and its Opportunities in Industry" in Association with Easy Learn training Institute, on 16th Feb 2021 Dubai, UAE
3. Delivered webinar on "Transition to Data Science and its Opportunities in Industry" in Association with Easy Learn training Institute, on 15th Feb 2021 Dubai, UAE
4. Delivered webinar on "Artificial Intelligence and its Opportunities" in International Women in Tech Event "The Current job Market Trends" held during September 25, 2020 at Dublin, Ireland
5. Delivered webinar on "Artificial Intelligence and its Opportunities" in Automation and Robotics held during August 26-27, 2020 at Dubai, UAE.

> National Talk in IITS/NITS

1. Delivered webinar on International Conference on Data science in Biology (ICDSB) on "Transition to Machine Learning and its Opportunities" in Association with IIT Jodhpur and Institute of Bioinformatics, on 5th September 2020.
2. Delivered webinar on International Conference on Data science in Biology (ICDSB) on "Transition to Data Science and its Opportunities" in Association with IIT Jodhpur and Institute of Bioinformatics, on 3rd September 2020.

> Sessions Conducted

Offline Training

1. Delivered 1 day training on "Machine Learning" to third and final year students of S.B. Jain Institute of Technology, Management and Research, Nagpur on 3rd March 2020.
2. Delivered 1 day training on "Machine Learning" to third and final year students of Ramdeobaba college of Engineering Nagpur 2nd March 2020.
3. Delivered 1 day training on "Machine Learning" to third and final year students of GHRCE, Nagpur.
4. Delivered 1 day training on "Machine Learning" to third and final year students of DBACER, Nagpur.
5. Delivered 1 day training on "Machine Learning" to third and final year students of Nagpur Institute of Technology, Nagpur.

6. Delivered 1 day training on "Machine Learning" to third and final year students of G H Raisoni Academy of Engineering and Technology, Nagpur.
7. Delivered 1 day training on "Artificial Intelligence and Machine Learning" to third and final year students of G Raisoni college of Engineering for Women, Nagpur.
8. Delivered 1 day training on "Artificial Intelligence and Machine Learning" to third and final year students of Priyadarshini Bhagwati Chaturvedi College of Engineering (PBCCE), Nagpur.
9. Delivered 1 day training on "Artificial Intelligence and Machine Learning" to third and final year students of Priyadarshini College of Engineering (PCE), Nagpur.
10. Delivered 1 day training on "Artificial Intelligence and Machine Learning" students of CSE and IT Branch, SBJITMR, Nagpur on 03 March 2020
11. Delivered 1 day training on "Artificial Intelligence and Machine Learning" students of ECE and IT Branch, GHRAET, Nagpur on 02 March 2020.
12. Delivered 1 day training on "Artificial Intelligence and Machine Learning" students of CSE Branch, VNR, VJIET, Hyderabad on 22 Feb 2020
13. Delivered 1 day training on "Artificial Intelligence and Machine Learning" students of IT Branch, VNR, VJIET Hyderabad on 13 Feb 2020.
14. Delivered 2 days National level Bootcamp on "Artificial Intelligence and Machine Learning" to students of sphoorthy College of Engineering, Hyderabad from 14-15 Feb 2020.
15. Delivered 3 days Bootcamp on "Data Science and Machine Learning" to Third Year and Final Year Students of SVVV, Indore from 3-5 Feb 2020.
16. Delivered 5 days Training under Faculty development Program (FDP) on "Artificial Intelligence and Machine Learning" to Faculties of Wanjari College of Engineering, Nagpur.
17. Delivered 5 days Training under Faculty development Program (FDP) on "Artificial Intelligence and Machine Learning" to Faculties of Sphoorthy College of Engineering, Hyderabad.
18. Delivered 6 Months Training program "Artificial Intelligence and Machine Learning" for Final Year, Third Year and Second Year Students of CSE and ECE Branch of K.G. Reddy College of Engineering and Technology, Hyderabad

Online Training and Webinar

1. Delivered session on "MNIST Handwritten Digit Classification using ANN" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 16th April 2021.
2. Delivered session on "MNIST Handwritten Digit Classification using ANN" in association with Ramdeobaba College of Engineering, Nagpur on 14th April 2021.
3. Delivered session on "Linear Regression ML Algorithm" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 12th April 2021.
4. Delivered session on "K Means ML Algorithm" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 11th April 2021.
5. Delivered session on "Transition to Deep Learning and Artificial Intelligence its Opportunities in Industries" in association with RSR Rungta College of Engineering and Technology, (Under Aegis of Sanjay Rungta Group of Institutions) on 10th April 2021.
6. Delivered session on "Machine Learning Algorithms" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 9th April 2021.
7. Delivered session on "Machine Learning Algorithms" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 7th April 2021.
8. Delivered session on "Statistics in Data Science" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 6th April 2021.
9. Delivered session on "Data Science Packages" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 5th April 2021.
10. Delivered session on "Functions and Loops" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 4th April 2021.
11. Delivered session on "Control Structure in Python" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 3rd April 2021.
12. Delivered session on "Fashion MNIST Dataset Classification using ANN" in association with Ramdeobaba College of Engineering, Nagpur on 3rd April 2021.
13. Delivered session on "Transition to Machine Learning and its Opportunities in Industries" in association with RSR Rungta College of Engineering and Technology, (Under Aegis of Sanjay Rungta Group of Institutions) on 3rd April 2021.
14. Delivered session on "Introduction to Data Types in Python" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 2nd April 2021.

15. Delivered session on "Introduction to Neural Network and Deep Learning" in association with Ramdeobaba College of Engineering , Nagpur on 2nd April 2021
16. Delivered session on "Introduction to Data Types in Python" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 1st April 2021.
17. Delivered session on "Introduction to Data Types in Python" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 29th March 2021.
18. Delivered session on "Introduction to Python" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 27th March 2021.
19. Delivered session on "Transition to Data Science and its Opportunities in Industries" in association with Dr. DY Patil Institute of Engineering Management & Research, Pune on 25th March 2021.
20. Delivered session on "Transition to Data Science and its Opportunities in Industries" in association with RSR Rungta College of Engineering and Technology, (Under Aegis of Sanjay Rungta Group of Institutions) on 20th March 2021.
21. Delivered session on "Transition to Data Science and its Opportunities in Industries" in association with Amity University Patna on 8th March 2021.
22. Delivered session on "Data Science and its opportunities in Industries" in association with S. B. Jain Institute of Technology, Management and Research, Nagpur on 8th March 2021.
23. Delivered session on "Students Performance analysis using Machine Learning Techniques" in association with University of College (Autonomous) Osmania University,Hyderabad on 5 Days online Faculty development program on "Data Science" Sponsored by AICTE Training and Learning (ATAL) Academy, AICTE , New Delhi on 26th Feb 2021.
24. Delivered session on "Diabetes Prediction using Machine Learning Techniques" in association with University of College (Autonomous) Osmania University,Hyderabad on 5 Days online Faculty development program on "Data Science" Sponsored by AICTE Training and Learning (ATAL) Academy, AICTE , New Delhi on 25th Feb 2021.
25. Delivered session on "Spam Mail detection using Natural Language Processing" in association with University of College (Autonomous) Osmania University,Hyderabad on 5 Days online Faculty development program on "Data Science" Sponsored by AICTE Training and Learning (ATAL) Academy, AICTE , New Delhi on 24th Feb 2021.
26. Delivered session on "Importance of Python Language and its use cases in Industry" in association with S. B. Jain Institute of Technology, Management and Research, Nagpur on 21st Feb 2021.

27. Delivered session on "Data Science Case" in association with K G Reddy College of Engineering, Hyderabad on 22nd Feb 2021
28. Delivered session on "Data Science and its applications in Cyber Security" in association with NIT College, Nagpur on 20th Feb 2021.
29. Delivered session on "Data Science Packages" in association with K G Reddy College of Engineering, Hyderabad on 19th Feb 2021.
30. Delivered session on "Transition to Data science and Opportunities in Industries" in association with K G Reddy College of Engineering, Hyderabad on 18th Feb 2021.
31. Delivered session on "Transition to Data science and Opportunities in Industries" in Orientation Program in Association with Prof. Ram Meghe college of Engineering, Badnera, Amaravati on 13th Feb 2021.
32. Delivered session on "Data science and its importance in Engineering streams" in Orientation Program in Association with Priyadarshini Bhagwati Chaturvedi College of Engineering, Nagpur on 4th Feb 2021.
33. Delivered 3 Days Bootcamp on "Data Analytics using Python" in Association with SVVV , Indore from 1st Feb to 3rd Feb 2021.
34. Delivered session on "How to make Data Career by using Data of Day to Day Life Activities" in Association with Kreating Leaders for Tomorrow, on 24th January 2021.
35. Delivered session on "Recent Technologies /Data Science and Machine Learning and its Opportunities in Industries" in Orientation Program in Association with MKSS's Cummins College of Engineering for Women, Nagpur on 23rd January 2021.
36. Delivered session on "Deep Learning and its Opportunities in Industries" in Association with JDIET Yavatmal and and IIoT Labz , Nagpur on 14th January 2021
37. Delivered session on "Machine Learning and its Opportunities in Industries" in Association with JDIET Yavatmal and and IIoT Labz , Nagpur on 13th January 2021.
38. Delivered session on "Data Science and its Opportunities in Industries" in Association with JDIET Yavatmal and and IIoT Labz , Nagpur on 12th January 2021.
39. Delivered session on "Data Science and its Opportunities in Industries" in Association with Aurobindo Yoga Foundation and and IIoT Labz , Nagpur on 9th January 2021.
40. Delivered session on "Data Science and its Opportunities in Industries" in Association with AIROBOTICA, Bangalore on 27th December 2020.

41. Delivered session on "Data Science and its Opportunities in Industries" at Anjuman Engineering College, Nagpur, on 26th December 2020.
42. Delivered session on "Bank Retail using Machine Learning Algorithms" at AICTE Approved Two Weeks Online Faculty Development Program in Association with Kingston Engineering College, Vellore, on 18th December 2020.
43. Delivered session on "Machine Learning and its applications in Signal Processing and its opportunities in Industries" at AICTE funded STTP Phase-2 on AI-MIMO: Millimeter (mm) Wave and Massive MIMO Applications for 5G wireless Networks using AI. in Association with Bokaraju and Rangaraju Institute of Engineering and Technology, on 17th December 2020.
44. Delivered session on "Data Visualization using Python" at AICTE Approved Two Weeks Online Faculty Development Program in Association with Kingston Engineering College, Vellore, on 15th December 2020.
45. Delivered session on "Transition to Data Science and Its opportunities in Industries" in association with IIoT Labz and Hislop College, Nagpur on 14th December 2020.
46. Delivered session on "Research and its Challenges in Data Science and Machine Learning" at AICTE Approved Two Weeks Online Faculty Development Program in Association with Kingston Engineering College, Vellore, on 12th December 2020.
47. Delivered session on "Retail Data Analytics" at AICTE Approved Two Weeks Online Faculty Development Program in Association with Kingston Engineering College, Vellore, on 11th December 2020.
48. Delivered session on "Retail Banking Applications using Machine Learning Algorithms" at AICTE Approved Two Weeks Online Faculty Development Program in Association with Kingston Engineering College, Vellore, on 11th December 2020.
49. Delivered session on "Machine Learning Supervised Learning-Unsupervised Algorithm" at AICTE Approved Two Weeks Online Faculty Development Program in Association with Kingston Engineering College, Vellore, on 10th December 2020.
50. Delivered session on "Machine Learning Supervised Learning-Classification Algorithm" at AICTE Approved Two Weeks Online Faculty Development Program in Association with Kingston Engineering College, Vellore, on 10th December 2020.
51. Delivered session on "Machine Learning Supervised Learning-Regression Analysis" at AICTE Approved Two Weeks Online Faculty Development Program in Association with Kingston Engineering College, Vellore, on 10th December 2020.

Webinar Report of HOW TO WRITE A CV FOR INTERVIEW PREPARATION

SCOE Kharghar organized a webinar on *HOW TO WRITE A CV FOR INTERVIEW PREPARATION* it was 2 hour session on 8th June 2020 specially for final year students .in this webinar information given to students on importance of CV writing and how to face interview and company expectation .this webinar taken by speaker ,Ms. Anupama Deshmukh- HR & Hospitality Professional from Imiraticus company. For this webinar 351 students joined on zoom platform .in this webinar speaker explained CV is a short document that gives you a chance to show a prospective employer the best of what you've got.

It sells your skills, experience, and shows them you're the right person for the job. Making a good impression is important in today's competitive job market.

Your CV will be your first contact with employers so it's essential to get it right.

A mistake-free CV says you're professional and care how you come across (ask a friend to read it through)

Don't just write out your job description; say how you made a difference at work, or describe a project from college

Different jobs require different strengths: a little research can help you highlight relevant strengths for a specific role

Bullet points make it easier to scan for key skills

Keep it short: no more than two pages

Don't leave gaps: if you've had time to travel or care for a relative, say what you learned from the experience.

Webinar Details -

Speaker :- Ms. Anupama Deshmukh- HR & Hospitality Professional

About the Speaker - Anupama Deshmukh is a HR and Hospitality (Training and development) Professional with over 18 years of experience in the field of Hospitality Management, Customer service management, HR Training and development, hospitality education, skill training .

Application of Artificial Intelligence in Mechanical Engineering

Mr. Dnyaneshwar Chopra (IIT BOMBAY) was the key instructor for this session.

The session was conducted from 1/05/2021 to 5/05/2021. The complete details of the session and the syllabus are mentioned as follows.

Chapter 1 :

- > Introduction (2 hrs.) Introduction to AI and Data Science
- > AI and Data Science in Mechanical Engg.
- > Companies Recruiting Mechanical Engineer for AI and Data Science
- > Competitive exams / Indian Institutes for AI & Data Engineering

Chapter 2 :

- > Case Studies in Mechanical Engineering (2 hrs.)
- > Application of AI for Data Prediction
- > Condition Monitoring Classification Problems

Chapter 3 :

- > In Hand Practice (4 hrs.) Basic Regression plots (Calculation by students)
- > Working of ANN (Artificial Neural Network) with Hand Calculation
- > Prediction of data by ANN and Regression using MATLAB Software
- > Case Study in CNC Machining (Practice by students)

Chapter 4 :

Industry 4.0 (4 hrs.) Case study (Farming) Case study (Manufacturing)

Name	
Training Program	Application of Artificial Intelligence in Mechanical Engineering

Brief description of Course

Chapter 1 : Introduction (2 hrs.) :-

Introduction to AI and Data Science, Companies Recruiting Mechanical Engineer for AI and Data Science, Competitive exams / Indian Institutes for AI & Data Engineering

Chapter 2 : Case Studies In Mechanical (2 hrs.) :-

Application of Ai for Data Prediction, Condition Monitoring, Classification Problems

Chapter 3 : In Hand Practice (4 hrs.) :-

Basic Regression plots (Calculation by students), Working of ANN (Artificial Neural Network) with Hand Calculation Prediction of data by ANN and Regression using, MATLAB Software, Case Study in CNC Machining (Practice by students)

Chapter 4 : Industry 4.0 (4 hrs.) :-

Case study (Farming), Case study (Manufacturing)

Course Project By Student :-

Sr.no.	Project Name	Technique	Architectures Applied	Measure of Error	Average Error
1.	Prediction of roughness in turning by artificial neural network.	Artificial neural network (back propagation algorithm)	3-4-1, 3-5-1,3-3-3-1, 3-3-6-1	RSME	0.06
2.	Prediction of depth of cut in waterjet machining by artificial neural network	Architectures	3-4-1, 3-5-1,3-3-3-1, 3-3-6-1	RSME	0.27

DEPARTMENT OF CIVIL ENGINEERING

One week Training Program

on

Basics of GIS: Software Training on QGIS

organized by Department of Civil Engineering

Saraswati College of Engineering, Kharghar, Navi Mumbai

19th-24th July 2021

One week Training Program on Basics of GIS: Software Training on QGIS was organized by Department of Civil Engineering, Saraswati College of Engineering, Kharghar, Navi Mumbai from 19th-24th July 2021. Total 58 participants (students and faculty members) participated in the training program.

At the end of each session, assessment was conducted to evaluate student's performance. Assessment was conducted through google form questionnaire. At the end of training session, students were asked to upload their GIS work in the form of digitized features. Feedback was taken on the last day of the training program. Attendance sheet of the training program is attached with the report.

Program schedule is given below

Date	Session Plan
19/07/2021	Basic concept of GIS Starting point for GIS career Software installation
20/07/2021	Downloading Map Georeferencing
21/07/2021	Map Projection Digitization of line feature
22/07/2021	Digitization of point and polygon feature Exploring attribute table
23/07/2021	GIS data analysis Buffer analysis Query Interpolation Clipping Spatial Analysis tool
24/07/2021	Image Registration Map Preparation

Report

International Conference on Industry 4.0 - Advances in Engineering and Sustainability for the 'Make in India' initiative (ICAESM-2021)

One day International Conference on Industry 4.0 - Advances in Engineering and Sustainability for the 'Make in India' initiative (ICAESM) was organized by Civil, Mechanical and Automobile Department of Saraswati College of Engineering, Kharghar, Navi Mumbai on 7th May 2021. The conference was conducted in online mode. Inauguration Ceremony of the conference was started at 10:00 am. Dr. Iyyanki Muralikrishna, Chief Advisor, Smart Village Movement, Hyderabad, Telangana was the Chief Guest of the Conference. He was Former Professor & Director (R&D), JNTU, Dr. Raja Ramanna DRDO Distinguished fellow, Govt. of India.

Technical Summary of the conferences:

Total 173 participants registered for the conference. Papers were invited for following themes/ tracks:

- Track 1 – Green Technology Initiatives
- Track 2 – Sustainable Construction and Manufacturing
- Track 3 – NextGen Technologies
- Track 4 – Innovative Business Process
- Track 5 – Recent Trends in Civil, Mechanical and Automobile Engineering

The conference deliberations were divided into:

1. **Inaugural Keynote lecture:** Inaugural keynote address was delivered by Chief Guest Dr. Iyyanki Muralikrishna on the topic "AI and Data Analytics in Civil Engineering".
2. **Session 1: NextGen Technologies, Innovative Business Process & Recent Trends in Mechanical and Automobile Engineering:** In the first session, there were two keynote lectures and 10 contributory oral presentations. Prof. Dr. Ramesh Lekurwale was the Session Chair to judge oral presentations of contributory papers in session 1.

PRINCIPAL
Saraswati College of Engineering
Kharghar, Navi Mumbai-410210

Keynote lecture 1 was delivered by Podolyak Olga Olegovna, Candidate of Economic Sciences, Department of Machine Building “Machinery Production Organization”, Institute of New Materials and Technologies, Ural Federal University.

Keynote lecture 2 was delivered by Markina Anastasia Aleksandrovna, Department of Machine Building “Lifting and carrying machines and robots”, Institute of New Materials and Technologies, Ural Federal University.

3. **Session 2: Green Technology Initiatives & Recent Trends in Civil Engineering:** In the second session, there were total 12 contributory oral presentations. Prof. Dr. S.Rajiwas the Session Chair to judge contributory paper presentation in session 2.
4. **Session 3: Sustainable Construction and Manufacturing:** In the third session, there were total 13 contributory oral presentations. Prof. Dr. Deepa Joshi was the Session Chair to judge oral presentations in session 3.

The conference provided a common platform to engineers, researchers, students and faculties professionals to share their knowledge and research outcomes. The deliverables of the conference will be useful for decision makers to have better understanding on the research areas which need to be focused in order to make manufacturing and construction up to the global standards. New ideas, recommendations raised in the conference would support in opening new avenues in the areas of green technology initiatives, pollution prevention technologies, sustainable construction & manufacturing, innovative business processes and recent trends in Civil, Mechanical and Automobile Engineering.

Report

**International Conference on Industry 4.0 -
Advanced Information and Communication Technologies**

(ICAICT-2021)

One day International Conference on Industry 4.0 - Advanced Information and Communication Technologies (ICAICT) was organized by Computer, IT and EXTC Department of Saraswati College of Engineering, Kharghar, Navi Mumbai on 7th May 2021. The conference was conducted in online mode. Inauguration Ceremony of the conference was started at 10:00 am. Dr. Iyyanki Muralikrishna, Chief Advisor, Smart Village Movement, Hyderabad, Telangana was the Chief Guest of the Conference. He was Former Professor & Director (R&D), JNTU, Dr. Raja Ramanna DRDO Distinguished fellow, Govt. of India.

Technical Summary of the conferences:

Total 85 participants registered for the conference. Papers were invited for following themes/ tracks:

- Track 1 – Artificial Intelligence & Intelligent Machining
- Track 2– Cloud Computing & Big Data Analysis
- Track 3 – Communication Networks & Cyber Security
- Track 4 – E- Learning
- Track 5 – Biotechnology and Healthcare System

The conference deliberations were divided into:

1. **Keynote lecture:** Inaugural keynote address was delivered by Chief Guest Dr. Iyyanki Muralikrishna on the topic "AI and Data Analytics in Civil Engineering". Session keynote lecture was delivered by Dr. Sinora Avraham, Sr. Computer Vision Engineer at Memomi Labs Inc. Israel on the topic "Emerging trends in AI/Machine Learning: Combat COVID-19"

PRINCIPAL
Saraswati College of Engineering
Kharghar, Navi Mumbai-410210

2. **Session 1: Artificial Intelligence & Deep learning:** In the first session, 6oral presentations were delivered by the participants.
3. **Session 2:Cloud Computing & Big data Analysis & Communication Networks & Cyber Security:** In the second session, there were total 5 contributory oral presentations.
4. **Session 3: Artificial Intelligence & Deep learning & Biotechnology and Healthcare Systems:** In the third session, there were total 6 contributory oral presentations.

Emergence of various technologies in the modern time has become inevitable. The conference resulted in an improved awareness about the implications of the rise of new digital industrial technology, known as ICAICT 2021. The conference also motivated faculty for engaging in more and more research in particular and creating an environment promoting research in every field of ICAICT 2021

ABOUT AUGMENTED REALITY WORKSHOP

Augmented Reality (AR) is a new technology. This technology helps the real & virtual world to co-exist together. This technology finds applications in various areas. This workshop can be a starting point to any one who is interested in carrying out Research & developing applications in AR. Participants will be exposed to the Software & Hardware used in Augmented Reality. This workshop will help the participants understand, How AR can be leveraged in Education as well as in Automobile & Auto Component industries.
